Have any concerns arisen for you and your student? How can we address them now before school concludes?

We still find it so hard to figure out turning in assignments and in what order.

This has been the best experience
Ever

(Concerns addressed this year, to build on for next year.)

- Student motivation
- Scheduling for events, early notification (email, newsletters, text)
- BOY technology delivery concerns
- Relationship building with students, teachers and classroom engagement

Please share your overall feedback for the
2021-2022 school year.

We have so appreciated the staff and teachers at this school.
All very understanding. We especially appreciate the text and
phone calls personally; makes it feel more personable.

We loved it!!
