Welcome to Destinations Career Academy of Colorado

The Destinations Career Academy of Colorado (“CODCA”) High School Student and Parent Handbook, 2023-2024, is intended to guide students and parents/guardians in the operations of the school. CODCA is a Colorado public senior high school operating statewide under the authorization and oversight of the Julesburg School District RE-1 (“JSD”). CODCA, a publicly funded online school, is part of a national network of online schools operated by Stride K12, Inc.

CODCA is accredited per Colorado state regulations and the Northwest Association of Accredited Schools (NWAC).

Policies contained herein have been approved by the Julesburg School District RE-1.

In the event of an emergency or a crisis, an automated voice message will be called out and those same details will be posted to social media as well as the local news, as appropriate. Any imminent event that occurs during a school sponsored social gathering, parents/guardians will be notified, and any necessary updates will follow the above notification process and outlets.

Letter From the CODCA Team

Dear Destinations Career Academy Student and Learning Coach,

It is our honor to welcome all new and returning students and their families to Colorado Destinations Career Academy (CODCA)!

The 2023-2024 school year marks our eighth year as a Career and College Readiness School, where we serve students in grades 4 through 12. CODCA, authorized by Julesburg School District RE-1, exists to meet the diverse needs of all individuals in a student-centered environment, where students realize their full potential in the core academic courses, as well as in Colorado Board-Approved Career Readiness/Technical Educational (CRE/CTE) programs and pathways.

Our mission at Destinations Career Academy of Colorado is to inspire each student through meaningful, individualized, and engaging learning opportunities to prepare our graduates for successful careers in the 21st century. CODCA's online learning instructional model will leverage research-based, 21st century learning skills to facilitate self-motivated, collaborative, life-long learners who participate, and lead productively in our society.

Our experienced and highly qualified faculty members aim to provide excellent educational solutions for students throughout the State of Colorado. CODCA offers outstanding core academic courses, as well as 21 full career pathway programs at our high school, and one exploratory pathway at our middle school, which allows students to explore courses and opportunities in a career field of interest. Our courses are motivating, enriching, and relatable to real world experiences after high school. Graduates of CODCA are prepared for college, the workforce, and to be productive citizens in their lives ahead.

Our highly qualified faculty members, all Colorado state-licensed, are eager and excited to share their vast knowledge and experience throughout the upcoming school year. Our teachers have worked hard to prepare an enriching course of study designed to educate and stimulate a passion for learning.

If you have any questions or concerns now, or throughout the school year, please contact our office and we will ensure the appropriate member of our administrative team assists you.

Please join us throughout the year for our Coffee Talk/SAC Meetings. You can find the schedule [here](#). Please always feel free to share with us your ideas on ways to improve our school and make the 2023-24 school year the best experience for all involved.

Warm regards,

Teri Cady, Head of School

Shawn Ehnes, Julesburg Superintendent

Admission

CODCA is a full-time, online public-school serving students in grades 4-12. Full-time status is defined as students enrolled in 5 or more courses each semester. CODCA is available to students who qualify for public school funding and meet admission criteria. Should the JSD Board of Education determine to make enrollment available to students not qualified for public school funding, CODCA will provide a tuition schedule to the Colorado Department of Education ("CDE").

CODCA complies with applicable state regulations regarding student privacy. For the safety of all students, CODCA reserves the right to ask students whether they have been convicted of a crime and the nature of the offenses. If the CODCA Head of School or designee deems that admitting the student would pose a significant risk to the health and safety of the other students, the Head of School may deny the student admission to the school.

Additional information on the Julesburg *School District* can be found here: www.julesburg.org.

Non-Discrimination Policy

The Destinations Career Academy of Colorado does not discriminate on the basis of race, color, national origin, sex, disability, housing security, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.¹ In addition, lack of English skills will not be a barrier to admission and participation in any school programs or activities. Additionally, offered CTE opportunities are without regard to race, color, national origin, sex, or handicap. CODCA provides procedural processes to any person calling attention to a grievance wherein the institution follows for investigation of the issue. Complaints accepted verbally, written or by appointment in an in-person or virtual face-to-face meeting. Each party pertaining to the complaint receives notice of complaint and all parties receive a timeline of actions of procedure within 10-days of notification to all parties of such a grievance. The following person is the designee to handle inquiries regarding the non-discrimination policies:

Adelita Shepherd, Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator
8601 Turnpike Dr., #100, Westminster, CO 80031
ashepherd@k12.com | 303.399.4702

For further information on notice of non-discrimination, visit <https://www2.ed.gov/policy/rights/reg/ocr/edlite-34cfr104.html#S8> for the address and phone number of the office that serves your area, or call 1-800-421-3481

Section 504 and Title II (ADA) Information

CODCA has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990 (ADA). Section 504 and the ADA prohibit discrimination on the basis of disability in any program or activity receiving Federal financial assistance.

Adelita Shepherd, Designated Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator | 8601 Turnpike Dr., #100, Westminster, CO 80031 | ashepherd@k12.com | 303.399.4702

Title IX Information

CODCA does not discriminate based on race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to educational programs and activities. As required by Title IX,

CODCA does not discriminate based on gender, in its educational programs and activities. The following person has been designated to handle inquiries regarding the Title IX non-discrimination matters: Adelita Shepherd, Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator, 8603 Turnpike Dr., #100, Westminster, CO 80031. ashepherd@k12.com | 303.3994702.

Additionally, you may contact the Office of Civil Rights by calling 1-800-421-3481.

Title VI and Race, Color and National Origin Discrimination Information

Title VI of the Civil Rights Act of 1964 protects people from discrimination based on race, color or national origin in programs or activities that receive Federal financial assistance. Title VI states that:

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Programs and activities that receive Federal financial assistance from the United States Department of Education (ED) are covered by Title VI. ED maintains an Office for Civil Rights, with 10 regional offices and a headquarters office in Washington, D.C., to enforce Title VI.

Non-Discrimination Procedure, Appeals Process, Complaint Form and Contact Information

Procedure click [HERE](#). | **Formal Complaint** Form [HERE](#).

[Printable version of M-V, Migrant or Foster Care Resolution Dispute Form.](#)

Appeals Process

In accordance with Federal and State OCR (Office for Civil Rights) Guidelines, any student who believes that CODCA, or any of the school's staff, instructors, and/or administrators have inadequately applied the principles and/or regulations of Title VI of the Civil Rights Act of 1964 (race, color, national origin), Title IX of the Education Amendment Act of 1972 (sex/gender), and/or Section 504 and Title II of the Rehabilitation Act of 1973 (disability) may make a complaint which shall be referred to as a formal grievance. However, whenever possible and practical and informal solution to the complaint is encouraged and should be attempted with the school's Head of School.

If an informal acceptable solution cannot be attained, the student shall commit the complaint to writing, audio file or in-person interview and formal grievance procedures shall commence. The complainant may file her/his complaint directly with the Office for Civil Rights, United States Department of Education, and/or use the internal grievance process set forth as follows:

Step 1. An alleged formal discrimination grievance (pertaining to any above-named regulation or title) complaint should first be made to the Head of School within ten (10) school days from the date of the incident. The HOS has ten (10) school days to decide and formulate a course of action for all involved. However, it should be noted, there is no time limit or statute of limitations on a complainant's decision to file a formal complaint.

Step 2. If not resolved at Step 1, the decision may be appealed to the District's Compliance and Family Engagement Coordinator within five (5) school days from the date of the Step 1 decision:

Step 3. If not resolved at Step 2, the decision may be appealed by the complainant to the Office for Civil Rights/Denver Office, U.S. Department of Education, Federal Building, Suite 310, 1244 Speer Boulevard, Denver, CO 80204-3052

Adelita Shepherd, Designated Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator | 8601 Turnpike Dr., #100, Westminster, CO 80031 | ashepherd@k12.com | 303.399.4702

Part-Time Status

CODCA is a full-time program. Only students enrolled in JSD grades K-12 may enroll in CODCA courses on a supplemental basis as agreed to by CODCA and JSD.

Open Enrollment

Students who currently reside in the State of Colorado enroll in CODCA. Approval for enrollment is dependent on the student meeting CODCA admissions criteria.

CODCA may reject an application for the following reasons:

- School does not have appropriate programs or is not equipped with the necessary facilities to meet the special needs of the student.
- The student does not meet the established age requirement criteria for participation in the school or program.
- The student has been expelled or is in the process of being expelled from another school.
- The student has engaged in behavior in another school district during the preceding twelve months that is detrimental to the welfare or safety of other pupils or school personnel.
- The student has graduated from the 12th grade or already received any document evidencing completion of the equivalent of a secondary curriculum.
- The student does not meet [immunization requirements mandated by state law](#). See [Vaccine Exemptions](#).

If enrollment is denied, or the student withdraws from CODCA, further placement considerations must be based on a new and separate application for admission to CODCA.

Intra-District Transfer

Students who currently reside in JSD may transfer into CODCA with approval from CODCA/JSD.

If a transfer is denied, or the student withdraws from CODCA, further placement considerations must be based on a new and separate application for admission to CODCA/JSD.

Residency Requirement

CODCA is a publicly funded school. Students who are, or will be, residing in the state of Colorado for the 2023-24 academic year are eligible to attend if they meet the applicable eligibility criteria.

Families must provide a written Affidavit of Residency using the form provided by CODCA that is executed by the student's parent/guardian or the student if 18 years of age or older.

Age Restrictions

Students who reach the age of 21 prior to October 1 for the school year for which they are enrolled are not eligible to attend CODCA. Students who turn 21 years old after October 1 for the school year for which they are enrolled may remain enrolled until they complete the school year.

Earned Credit Requirements for New and Re-Enrolled Students

Students who apply for initial enrollment or re-enrollment at CODCA must be able to complete their education within a specified period of time consistent with the laws of Colorado and the rules and regulations of the CDE. Only students who have earned the minimum number of credit hours required below based on the age of the student at the time of enrollment will be fully admitted to CODCA at the high school level. A member of the school counseling team will determine the number of earned credit hours based on an evaluation of school transcripts and homeschool portfolios where applicable.

Age as of October 1	Earned Credit Requirement
17	6
18	12
19	18
20	20

Continuing Students

Students who enroll at CODCA must complete the school year and demonstrate adequate academic progress to be eligible for continued enrollment the following year. Adequate academic progress is

defined as earning a minimum of four (4) credit hours during the most recent academic year at the high school level.

Students who have not earned the minimum number of credit hours or course completion required for new or continued enrollment may seek a waiver from this policy by completing the Request for Waiver of Credit Requirement. This form is available from the Counselors at CODCA. The Head of School of CODCA or the Principal shall review and rule on the waiver request within five (5) business days from the date of receipt thereof. CODCA in its sole discretion may require students requesting a waiver to complete credit recovery courses or take other appropriate action as a condition to granting a waiver.

Credit for High School Courses

Unless a high school course is specifically designated as pass/fail, credit/no credit, or satisfactory/unsatisfactory credit course, credit is assigned by percentage/letter grade.

To earn credit for a high school course at CODCA, students **must complete their course and** earn at least 60% of the total points possible in the course. Any course-specific departures from this policy are clearly stated in the course syllabus and supersede this policy.

Students with extenuating circumstances may petition the principal to receive pass/fail, credit/no credit, or satisfactory/unsatisfactory credit for an academic course.

Special Programs at CODCA

For more information about any of the following programs, please contact the Special Programs Academic Administrator, Denise Dutton, at 720-460-0959 or dedutton@codca.org.

Special Education

The mission of CODCA is to inspire students through meaningful, individualized, and engaging learning opportunities. Therefore, CODCA's enrollment includes students who are receiving Special Education services per an Individualized Education Program (IEP). The enrollment process is led by the Special Education Coordinator to discuss the next steps in the special education evaluation process which may include further documentation such as evaluation data, determination of disability, most recent IEP, and behavior plans.

During the evaluation process a team of qualified school personnel, parents/guardians, and other relevant service providers will hold an evaluation determination meeting (ECEA Rule 4.03 (8)(b)(iii) to determine eligibility for one of the disability categories under **IDEA**. If the student is eligible and requires specially designed instruction, an Individualized Education Program (IEP) will be created; during which the IEP team will review and finalize the proposed details of an appropriate educational program to meet the student's documented needs.

504 Plans

Under [Section 504 of the Rehabilitation Act of 1973](#), students may be eligible for certain accommodations or services if they have a disability that substantially limits or prohibits participation in or access to an aspect of a school program. If a student is eligible under Section 504, CODCA will provide appropriate services and support students by removing barriers to learning for students with disabilities.

Counselor/504 Coordinator	Special Programs Academic Administrator

Multilingual Language/English as a Second Language

In keeping with the intention of the state of Colorado to offer educational opportunities to those children whose dominant language is other than English, CODCA is actively engaged in assessing and analyzing student performance, educational program effectiveness, program delivery structures and instructional processes by implementing research-based structures that support student achievement.

ELL Teacher	Special Programs Academic Administrator
Mrs. Angela Caves acaves@codca.org 720.778.1249	Mrs. Denise Dutton dedutton@codca.org 720.460.0959

** Professional interpreter services may be requested at any time for parents/guardians of students with a primary language other than English by contacting Mrs. Caves or Mrs. Dutton.

Gifted and Talented

CODCA students are screened by referral and request at the beginning of the school year. After identification in a specific academic or talent aptitude area (or more than one area), CODCA will set up a time to meet with the student and family and determine appropriate goals and programming that best meets the student's needs.

GT Teacher	Special Programs Academic Administrator
Ms. Hannah Shaw hshaw@k12.com 720.924.6423	Mrs. Denise Dutton dedutton@codca.org 720.460.0959

MTSS (Multi-Tiered Student Supports)

CODCA follows a multi-tiered system of support that supports all students and ensures that each student can access the curriculum by receiving the appropriate level(s) of support. Teachers use a data-driven instructional model to identify and meet varying student needs within their classrooms. These supports will be developed within each academic team and communicated to the family. These supports can

include but are not limited to a student success plans, increased communication, required meetings, academic interventions, social-emotional interventions, attendance referrals, attendance plans, power hour attendance, etc. [CODCA Student Engagement and Attendance Policy](#)

Homelessness, Migrant, and Foster Care Liaison

Mrs. Adelita Shepherd ashepherd@k12.com and ashepherd@codca.org Phone: 303.399.4702

The McKinney-Vento Homeless Assistance Act of 1987 is the federal law that provides persons experiencing homelessness certain rights so services cannot be denied due to the circumstance. For example, if a student is experiencing homelessness, he/she cannot be denied admission if enrollment documents are missing; or, travel assistance or alternate arrangements may be provided for testing purposes, because the homelessness hinders the student's ability to travel to the site. The purpose is to create a level playing field where students are concerned. Students cannot be singled out based on their residency status and cannot be denied school activity inclusion based on their geographic situation. If a student is absent due to homelessness, the school is required to assist the family in getting the student adequate access to schooling. Preferential treatment, regardless of intention, is not permissible under M-V law. If a family tells Staff of their situation and they choose NOT to identify using our M-V form, we are not permitted to extend services or to excuse absences due to homelessness. This law also reserves federal funds for shelter programs to assist where applicable. Click [HERE](#) to learn more about McKinney-Vento.

Children in foster care situations will be given the same opportunity as all students. CODCA will work with all necessary agencies and guardians to ensure each enrolled student has access to school.

During enrollment, a qualified M-V, Migrant or Foster student will receive regular check-in messaging. Each family is welcome to request assistance and CODCA will work to achieve fulfillment, depending upon availability for all students.

Qualified M-V, Migrant and/or Foster Care students are eligible to receive transportation support from CODCA under the federal statutes. Transportation support extends to appropriate school events and state testing, only. Examples of support may include gas cards, Uber/Lyft rides (when/where appropriate), bus passes or other similar provisions.

According to MKV Homeless Assistance Act, the LEA must have procedures that include the rights of the parent, guardian, or unaccompanied youth to appeal decisions related to identification, school placement, transportation, etc. ... and the appeal process to resolve disputes. There isn't a federal guideline that says the information MUST be on the website. However, states may have more stricter requirements. [See your state guidelines.](#)

[Printable version of M-V, Migrant or Foster Care Resolution Dispute Form.](#)

[Stride K12 M-V Resources](#)

[Foster Care Resource](#)

[Non-Regulatory Guidance: Ensuring Educational Stability for Children in Foster Care](#)

[Migrant Students](#)

Vision and Hearing Screening

Hearing and Vision testing will be done at the Westminster office for anyone as a drop-in basis on the 1st Monday of every month, except when an observed holiday, from 9:30am to 2:30pm. We will also schedule Vision and Hearing tests, by appointment, for students needing one for Special Services meetings. Appointments can be scheduled with Susan Wall, please contact Susan Wall at 303.728.6200 Ext 1011 to set up an appointment. The results of the testing will be kept confidential and placed in the student's cumulative file and sent to SPED staff as needed.

Suspended/Expelled Students

A student who has been long-term suspended or expelled from CODCA and wishes to be considered for entrance or readmission to CODCA must appeal to the CODCA Head of School.

CODCA and JSD *may refuse* to allow a student who is expelled and/or suspended to enroll during the term of the expulsion if the student was expelled for one of the following reasons:

1. Possessing or using an illegal drug at school or a school function
2. Selling or soliciting the sale of a controlled substance while at school or a school function
3. Committing a third-degree assault involving assaulting another and inflicting substantial bodily harm
4. Possessing a weapon on school grounds.
5. Threat to harm, use firearms or other violent behavior.

Transfer Credits

Students at the high school level may transfer credits from any accredited institution. Students wishing to transfer credits based on home schoolwork or portfolios or coursework completed at a non-accredited institution may petition CODCA to have credits accepted. CODCA reserves the right to refuse transfer credits from non-accredited institutions or for home school experiences.

Graduation requirements for students who transfer into CODCA after completing at least one semester of coursework at an accredited institution will be amended on a case-by-case basis. CODCA graduation requirements will be pro-rated as necessary to reflect student's progress toward graduation at past schools.

Transfer students must provide or authorize transfer of official transcripts for all previous high school work prior to approval of enrollment.

Factors to be considered in the evaluation of student's progress toward graduation will include:

- The number and type of credits earned at previous school(s)
- The number of credits possible in each semester
- The definition of credit at previous school
- A transcript analysis and course matching conducted by CODCA
- The number of semesters left until graduation

Home School Credits

CODCA may evaluate homeschool curriculum and award Pass/Fail credit to a student's transcript based upon the Home School Credit submission. Please contact your guidance counselor for more information on this process.

Enrollment Application

The online Enrollment Application may be accessed on the CODCA website. The Enrollment Application collects parent information, student information, as well as background demographic and marketing information. The CODCA website provides additional instruction to applicants.

CODCA will collect and evaluate all Enrollment Applications to approve or deny enrollment based on admissions requirements. CODCA will maintain contact with those applicants who apply after the enrollment deadline and before the start of the current enrollment period to establish continued interest.

Mid-Year Enrollments

CODCA offers a limited number of spots for Semester II enrollment. The 23-24 semester II portal opens November 1st, 2023 and closes December 8th 2023. The first step toward enrollment acceptance for Semester II is proving student applicants are both academically and behaviorally sound. CODCA counselors will review all student application records, including the current grade report from the applicant's school to determine soundness based on CODCA Enrollment Requirements found in the ES/MS and HS Handbooks. Next, the applicant and a CODCA counselor must have an enrollment call to discuss and finalize semester II enrollment details such as course selections, and CTE program choices, as well as finalize any documentation needs. Finally, following the call with the counselor the applicant student receives a notice of enrollment acceptance.

Enrollment Requirements

A student must satisfy all requirements outlined in the CODCA admissions policy to be considered fully enrolled at CODCA. Students or parents may receive a copy of the full policy by contacting the CODCA school office.

All documents and forms requiring signature must be completed by the parent/guardian (or student over the age of 18) and submitted by mail, fax or email.

All incoming and returning students are required to sign the CODCA [Student Performance Agreement \(SPA\)](#). The SPA is considered an understanding of the expectations of enrollment for the entire school year at CODCA. During the first five weeks of school, all students will engage in a three (3) week compliance period/Readiness Term including a fully synchronous class schedule. Please see student performance agreement (SPA) for all details and expectations—found at the end of this document.

CODCA Free and Reduced Lunch Program 2023-2024

Let Us Help with Lunches!

Support for our students goes beyond the classroom. We are thrilled to announce a new benefit to our families who qualify and have complete documentation for free and reduced lunch. Starting August 2023, we will offer a monthly grocery stipend to families who qualify for our free and reduced school lunch program.

How It Works:

CODCA students who qualify for the free and reduced lunch program will receive \$1.50 for each day of logged attendance. *(The \$1.50 may increase depending on the number of students in the program.)*

At the beginning of each month, Learning Coaches will receive a grocery gift card for the total amount their student earned in the previous month. Students must be actively enrolled at the beginning of each month to receive the gift card. (Please be sure to update your mailing address if moving or moved since filling out the document to qualify for this benefit.)

Please look for an email in July with the 2023-2024 documentation link to the required family income paperwork.

Additionally, CODCA does loan out a computer based on financial need. The program will also allow families to participate in the ISP subsidy program, summer school discounts and graduation gown assistance.

A digital “Application for Free and Reduced-Price School Meals” form is distributed to all CODCA families at the time of their enrollment and at the beginning of each school year for returning families and can be obtained at any school website or school staff member. CODCA’s families only need one application for all students in their household. The school cannot approve an application that is not complete, so be sure to fill out all required information.

QUALIFICATIONS FOR FREE OR REDUCED PRICE?

- a. All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) or Temporary Assistance for Needy Family (TANF (also known as Colorado Works) – Basic Cash Assistance or State Diversion), are eligible for free meals.
- b. Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- d. Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- e. Children may receive free or reduced-price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart. Detail on income eligibility guidelines is available on the USDA website: <http://www.fns.usda.gov/cnd/governance/notices/iegs/iegs.htm>

Webcam Usage

CODCA and the parents of the students participating in the activities, services, and programs agree that this policy outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement using online platforms such as Newrow and Zoom. These Face-to-Face platforms will build and develop a partnership between the school and families that will help children achieve the State's high standards. The Home Learning Environment as provided for in this policy includes a visual portion of the site where the student is located that can be seen by others interacting with the student through the webcam and any audible sounds that can be heard by any others interacting with the student. The Home Learning Environment shall be free of any signs, flags, symbols, words, pictures, or any visual item that may be considered obscene, discriminatory, profane. To the maximum extent possible, the Home Learning Environment shall not have anything else within view than the student. The Home Learning Environment shall also be free of any audible sounds, noises, music, profanity, obscenity, or any audible item that may impact the learning environment. To the maximum extent possible, the Home Learning Environment shall not have any audible sounds that can be heard by any other person interacting with the student except for the voice of the student.

Parent-Guardian/Learning Coach Responsibilities:

- Monitor behaviors of my student(s) and the Home Learning Environment to ensure it is always appropriate for all learners while utilizing the web camera for the online school.
- Unless otherwise noted, Learning Coaches and Parents/Legal Guardians are not permitted to be present during online instruction. The objective with this policy is to ensure a peer-to-peer classroom environment for the students.
- Ensure my student can log into Class Connect sessions, providing reliable Internet connectivity and technology—including but not limited to working PC or laptop computer, web camera, audio devices and printer.

- Check Home Learning Environment before turning on the camera to ensure compliance with the definition provided in this policy and provide reasonable monitoring during the time that the webcam is being used. The appropriate use of web cameras is required in all live Class Connect sessions unless working technology is **temporarily** unavailable. Students and LC are required to communicate technical issues with their Academic Team for resolution.
- CODCA asks that background sounds remain at a minimum during Class Connect sessions—TV, radio, human voices cannot be a distraction to the others in class connect sessions.

Recommended Backgrounds:

- Student sitting in front of a wall/blank space so no one can wonder into viewing area.
- Students may choose to sit in front of window with the curtain drawn to allow for a neutral backdrop.
- Family may purchase a project board and set up behind the student for privacy.
- CODCA encourages families to get creative with their ‘home classroom’. We value all our families and respect your individuality and circumstance.

Student Responsibilities:

- Check the home learning environment before turning to the camera setting.
- Reviews the tools for online platforms to use webcam and microphone/headset for each class.
- Attends and participates in all required live class connect sessions.
- Use appropriate language and behaviors during classes.

Registration/Course Selection

Students will be guided to select and register for courses that will meet their school needs and graduation requirements. A member of the school Student Intervention Team will contact every student to discuss the enrollment process, select courses and develop an Individualized Learning Plan. All courses must be approved by school administration prior to the completion of enrollment.

2023-2024 General Classes [Course Catalog](#) 2023-2024 [CTE Course Catalog](#)

The Destinations Career Academy of Colorado does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.¹ In addition, lack of English skills will not be a barrier to admission and participation in any school programs or activities. Additionally, offered CTE opportunities are without regard to race, color, national origin, sex, or handicap. CODCA provides procedural processes to any person calling attention to a grievance wherein the institution follows for investigation of the issue. Complaints accepted verbally, written or by appointment in an in-person or virtual face-to-face meeting. Each party pertaining to the complaint receives notice of complaint and all parties receive a timeline of

actions of procedure within 10-days of notification to all parties of such a grievance. The following person is the designee to handle inquiries regarding the non-discrimination policies:

Adelita Shepherd, Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator
8601 Turnpike Dr., #100, Westminster, CO 80031 | ashepherd@k12.com | 303.399.4702

Student/Parent Orientation

All students are required to attend the first week of orientation and onboarding sessions. Failure to attend all onboarding and orientation sessions could result in Enrollment Review and Academic Probation at CODCA. Parents/Guardians who are Learning Coaches are all invited and encouraged to participate in the Learning Coach sessions that will be held throughout the year. See [SAC/Coffee Talk](#) meeting schedule.

Instruction and Curriculum

Highly Qualified Teachers

CODCA meets all federal and state requirements to utilize highly qualified teachers for all core academic positions, including English, Math, Science, Social Studies, designated World Languages, and Arts.

Student Intervention Team Counselor

Our Student Intervention Team at Destinations Career Academy of Colorado is available to assist students in acquiring and using lifelong learning skills in the academic, career and personal and social domains. Destinations' counselors enhance academics, encourage self-awareness, foster interpersonal communication skills, provide career awareness, develop employment readiness, and impart related skills to all Destinations' students. Our counselors provide academic development in which the student is given the opportunity to grow academically while in school, prepare for life after graduation, and understand the relationship of academics to the world of work, and to life at home and in the community. Specifically, counselors at Destinations will aid students choose a pathway that will consist of individualized course work, geared to prepare them for future careers. These pathways will be determined based on students' interests and strengths.

Personal and Social Services are based on activities meeting individual students' immediate needs, usually necessitated by life events or situations and conditions in the students' lives.

Individual Learning Plans (ILP/ICAP) consist of ongoing activities that assist students to plan, monitor, and manage their educational, personal, and career development. Students are given opportunities to evaluate their educational, occupational, and personal goals. The activities in this component are counselor planned and directed and may be delivered on an individual or group basis. Individual planning sessions include a review of each student's educational and career options and include strategies of individual assessment, individual advice, and transition planning.

The counselors are an integral part of the enrollment and registration processes, ensuring all students are on-track to graduate. Counselors participate in the enrollment process through the Counseling Interview, where student selection of their courses is completed.

Virtual Classroom Sessions

Students are required to attend all virtual classroom sessions as communicated by their Instructors and other school support staff. These sessions may include but are not limited to: General and targeted group class connect sessions. Students are expected to notify instructors if they will be missing a live virtual session to make any necessary arrangements such as watching the recording of the session or assignment parameters.

Parent/Student Escalation School Policy

If a student and/or learning coach has a conflicting situation with a staff member or curricular matter at CODCA, the student/parent should follow the steps below:

1. Communicate first, via phone and email, with the teacher, counselor, or staff member involved in the situation.
2. If a student/LC and the staff member cannot resolve the situation through conversation and/or meetings, then the student/LC should contact Mrs. Amber Schriner (School Principal) through email to set up an appointment to discuss. Her email is aschriner@k12.com.
3. If the Principal and student/LC cannot resolve the situation, the school Principal will escalate the situation to the Head of School, Teri Cady. tcady@k12.com. Students and LCs may also contact the Head of School if the situation is not resolved with the school Principal.
4. If the situation cannot be resolved at the school level, the Head of School will work with the District Superintendent of Julesburg School District to ensure the situation finds a solution.

Annual Calendar Click [HERE](#)

Career Academy

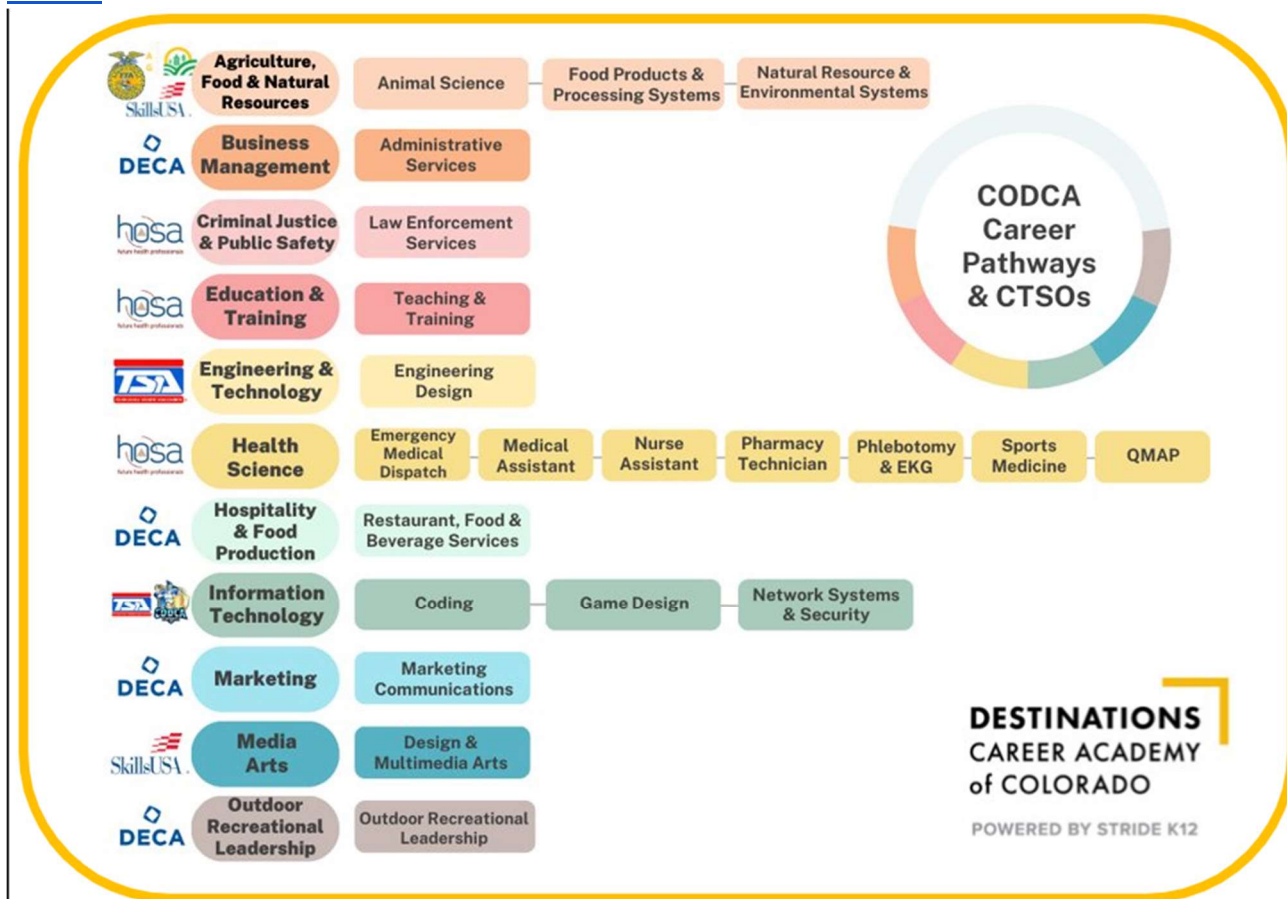

At **Destinations Career Academy of Colorado**, we provide a great education for 9th-12th grade students. In addition, students will also be career- and college-ready by exploring career options and discovering their passions through course offerings and pathways in these high-demand fields:

Students will learn and explore unique skills and content which connect to a career ahead and courses are relatable to life beyond high school. Students will also learn essential life skills such as job interview

preparation, college application readiness, collaboration and leadership skills, and communication techniques.

Students can gain an edge by earning college credits (through our enhanced Concurrent Enrollment program) and while participating in internship opportunities. They can also earn industry recognized certifications upon graduation from a specific pathway/s. Counselors and staff will work with all students to identify a pathway and select courses towards the pathway completion goal. Through the ILP process, counselors will continue to support students as they work through their chosen pathway.

Career Pathways: See [CTE S'more Newsletter for additional course details](#). [CTE course handbook HERE.](#)

Add/Drop Period

Students are permitted to drop a course up to the 10th school-day of the semester. If a student drops a course after day 15 of the semester (for semester long courses), the course will show up on the student's transcript with a designation of "WF".

Students are encouraged to keep in mind that they must earn 23 credits in order to graduate from CODCA, and that the maximum load for any given semester is seven (7) half-credit courses without administrative approval. We advise students to pay close attention to the Add/Drop dates for the semester, and to use the withdrawal option only when absolutely necessary.

Administrative course drops: If a student has less than a 10% in their course within the first 15 days of their school start date, they can be withdrawn from that course automatically by the school administrator. In these cases, the school administrator will email the family and let them know they are in jeopardy of losing the course and that they must show progress by a specific date, or be taken out of the course. If the student has not shown progress by the indicated date, they will lose their privileges of taking that course and will be withdrawn from it.

Course Load

Students at the highschool level may take up to seven (7) 0.5 credit courses through CODCA each academic semester, to include Finding Your Path (FYP). Students cannot drop below five (5) 0.5 credit courses during the semester--four core/elective plus FYP. Course loads can be allocated between blocks in any semester as determined by any member of the Student Support group.

Course Fees

CODCA is a publicly funded, tuition-free, online high school. Courses and related materials are provided for full-time students who are residents of Colorado at no charge.

Low-Enrollment Courses

Some elective courses are dependent upon enrollment. Students are encouraged to register early to secure their place in the course. Students will be informed during the registration process if they need to select an alternate course; they will automatically be enrolled in the alternate course if their original course choice is not ultimately offered.

Credit for High School Courses

Unless a high school course is specifically designated as a pass/pass/failure, credit/no credit, or satisfactory/unsatisfactory credit course, credit is assigned by percentage/letter grade.

To earn credit for a high school course at CODCA, students must earn at least 60% of the total points possible in the course. Any course-specific departures from this policy are clearly stated in the course syllabus and supersede this policy.

Students with extenuating circumstances may petition the principal to receive pass/fail, credit/no credit, or satisfactory/unsatisfactory credit for an academic course.

Life Experience Courses

A limited number of courses are available that allow students to earn credit for life experiences such as Student Athlete, Performance Studio, Work Experience, and other CTE opportunities. Students who

wish to participate in these experiences must register for the associated courses and complete the requirements of the course, including logging time spent on the activity, providing documentation of instruction or training, and meet the minimum contact/supervisory conditions established in the course syllabus. Mentors may not be family members. Please contact your counselor for more information.

Health and Family Life/Sex Education

CODCA believes a comprehensive health education program is an integral part of each student's education. The health education program should emphasize the functioning and proper care of the human body and encourage the development of lifelong, positive health habits. In addition, it should inform students about potential physical and mental health hazards they are likely to encounter in various life situations and help them make sound, intelligent decisions when they are confronted with choices that could affect their health or that of others.

Exemption will be granted from a specific portion of the health education curriculum on the grounds that the material taught is contrary to the religious beliefs and teachings or closely held personal beliefs of the student or of the student's parent/guardian. If the request for the exemption is from a specific portion of the health education curriculum that concerns human sexuality no reason must be given by the parent/guardian when requesting the exemption.

Sex Education can be found in the following CODCA courses and units.
High School Health – Human Sexuality

If a family expresses concern over the human sexuality unit in the school's health course, the teacher will provide alternate material for this student during this unit. The family will communicate directly with the teacher in this case for the alternate assignment. The teacher will excuse the human sexuality material (without penalty) and replace it for the student with alternate content. The alternate content will be approved by school administration prior to delivery to the family. Examples of alternatives are included below.

- Research current health events/trends and create a mini-project to demonstrate learning of info – (GMO's, Current diet trends, current workout trends - CrossFit, Hot yoga, etc.) and their pros and cons.
- OR
- Create an Advocacy project of a student's choice to defend a health topic the student feels strongly about – no smoking, drug-free areas, lowering teen pregnancy stats, no bullying, etc.

Concurrent Enrollment Options

“Concurrent enrollment” means a student is simultaneously enrolled in Destinations Career Academy of Colorado and in a public institution of higher education.

The State of Colorado provides several options for high school students who meet high school standards to begin college early. The purpose of these options includes promoting content standards, providing academic challenges, and providing access to academic courses that may not be available at a local high school to meet high school graduation requirements.

Destinations Career Academy of Colorado (CODCA) recognizes the value of offering concurrent enrollment opportunities to all students who will be successful in college-level courses. In order to set students up for success, CODCA requires that a student must demonstrate the necessary academic preparedness to be eligible for concurrent enrollment. Academic preparedness is demonstrated by maintaining grades of “C’s” or above in the prior semester’s coursework; having no previous failing grade in a concurrent enrollment or AP course; abiding by all CODCA Concurrent Enrollment steps and associated deadlines (including the interest survey by October 15th for enrollment in Spring Semester and April 15th for Fall Semester as well as the submission of all required forms by November 15th and May 15th respectively); and choosing to enroll only in courses that align with the student’s ILP/ICAP and on-time graduation plan. Further, due to the nature of rigorous standards and advanced coursework in college courses, CODCA strongly recommends that a student takes no more than 2 college courses per semester (6 college credits). If a student desires to take more than the recommended 6 CE credits, he/she will need special approval from his/her/their counselor and school administrator.

Eligibility

Students in the ninth through twelfth grades who are under the age of 21 are eligible to apply to a public institution of higher education for enrollment through the concurrent enrollment program if he or she:

- a. is deemed by the student and parent/guardian on the advice of the administration to be in need of course work at a higher academic level than that available at school
- b. is deemed by school personnel to show a high degree of maturity, responsibility, especially with regard to potential for completing post-secondary courses
- c. finds that the post-secondary course(s) selected aligns with the student’s Individual and Career Academic Plan (ICAP)
- d. is deemed by school personnel to be in need of a different environment, and
- e. has given advance written notice to the school specifying the courses in which the student intends to enroll.
- f. shows academic preparedness by attending CODCA for 1 semester and obtaining grades averaging A’s and B’s.

When a student enrolls in courses at a public institution of higher education for high school credit, the school and the participating institution will enter into a written cooperative agreement which will include, but not be limited to, the requirement that the school will pay the tuition up to the in-state community college tuition rate for the credit hours taken in any one academic semester. The agreement will include statements that any courses taken by students under this program will also qualify as credit toward earning a degree or certificate at the institution of higher education.

The school will not pay for transportation or any other fees including books or other materials.

The school will not pay for summer school courses at the institution of higher education.

Except as noted below, the school will be responsible for paying the public institution associated with post secondary courses taken by the student. The school will pay for the tuition for courses graded at a “C” or above. In general, the requirements for transferring course credit from a college/university include providing official documentation from the college or university including the course title, the number of credits, and the student’s final grade. In most cases, a 3-credit hour college course can be counted as 1 high school credit. (ENG 101 = 3 college credits = 1 high school unit, Spanish 101 = 4 college credits = 1.25 high school units).

High school seniors who do not test into college level courses (reading, English and mathematics) will be able to complete developmental courses concurrently. Students who are fifth year seniors will be able to enroll under the ASCENT Program. Fifth year seniors need to meet the criteria included in this program including completing twelve credit hours previously through the Concurrent Enrollment Program. This allows this set of students to be degree seeking and complete a high school diploma and associate degree or certificate concurrently.

Students are required to be enrolled in five (5) classes to be considered full time students at CODCA (to include concurrent enrollment).

Due to FERPA (Family Education Rights and Privacy Act), college in-progress grades are recorded and reported in the college information management system and are not available in the CODCA system until final course grades are reported on the high school transcript. Students are encouraged to self-advocate as much as possible and are encouraged to be transparent with their parents/guardian and share grades and attendance information. To allow a parent/guardian access to speak to the college instructor, the CE student must complete a FERPA form with the college. Once completed, the CE student submits the form to the Registrar’s Office of the institution of higher education (i.e. Pikes Peak Community College). The instructor will verify FERPA completion before meeting with the student and parent/guardian.

Work Based Learning

At Destinations Career Academy of Colorado, Work-Based Learning (WBL) is an essential component of our Career Readiness Education representing the intersection of education and industry. Our industry partnerships ensure that students have the workforce readiness skills and career exposure needed for success in a wide range of high skill, high demand, and meaningful careers.

Through experiences including career readiness workshops, clinical experiences, credit-for-work/internship experiences, internships and pre-apprenticeships available through CareerWise

Colorado, high school students have the opportunity to explore career pathways and develop career readiness skills.

Students interested in Work-Based Learning opportunities are required to meet with their high school counselor for further course information and requirements. Please see below for WBL Policies.

- Student acknowledge that the primary purpose of WBL is educational and, therefore, agrees to abide by the WBL program policies and that of CareerWise policies (if applicable).
- A student must comply with the school attendance policy and place of business leave policies to participate in the program.
- A student whose WBL placement is terminated for any reason is to report to the Work Experience/Internship Teacher.
- Personal business handled at the WBL placement is prohibited. Friends or family are not to visit the student at the WBL placement. A student is to be on time at school as well as the WBL placement.
- Parents should understand the student's responsibility to the training WBL placement and not interfere with the performance of his/her/their duties.
- Business rules for dress and personal hygiene will be observed.
- Students must abide by all school rules and regulations and consider themselves *under the jurisdiction of the school while at the WBL placement*.

Transportation to and from the WBL placement is to be arranged by the student/parent/guardian.

CODCA Summer School

CODCA offers summer school to currently enrolled students. To be eligible for summer school, a student must have completed the school year at CODCA previous to the summer session. Summer school is primarily a credit recovery focused session in ELA, Math, Science, and Social Studies. However, several elective courses are also offered. Summer school has a tuition cost for each course, to be covered by the CODCA students. In the spring of each year, school counselors will disperse summer school information for the summer session.

Maternity/Paternity

Leave

Policy

Students must contact their school counselor or support staff by the end of the first trimester to notify him/her of the anticipated due date so that any necessary accommodations can be made. Once the

expecting student's baby is delivered, he/she must contact his/her/their counselor within 24 hours by phone or email. We want to ensure that proper and timely notification is made so that supports are put into place. Upon delivery of the baby, the student (mother and/or father) will be awarded two weeks (10 school days) of maternity/paternity leave. After the 10 school days, the student will have the option of a reduced course workload for four weeks (20 school days) as identified by each individual teacher. The student will be responsible for all of the content in each course and must coordinate the reduced workload expectations with each teacher. If the student fails to notify his/her/their counselor or school support staff of the birth or of the anticipated due date, the policy will not be applicable, and accommodations will not be awarded.

School Operations

Registration Process

Information about the CODCA registration process and timeline is available by contacting K12 or by going to www.k12.com.

Change of Student Information

As soon as there is a change in student information including, address, telephone number, emergency contacts, or any other important directory information, the Learning Coach will update this information through their Online Learning System account within two (2) school days of the change.

Voluntary Withdrawal

To voluntarily withdraw a student from CODCA, parents/guardians (or students who are 18 year of age or older) should notify the school counselor in writing as far in advance of the withdrawal as possible. A withdrawal form must be completed before a student is withdrawn. All requests for transfer of student records will be initiated by the school in which the student will be enrolled.

To return hardware and materials, students will be contacted by CODCA/K12 for return options. CODCA will send the student pre-addressed postage-paid shipping materials. The student is responsible for packaging materials and sending computer and materials back to the school in good condition.

Student ID Numbers

Upon registration in CODCA, administrative personnel will obtain the student's State Identification Number. School Identification Numbers differ from State Identification Numbers in that School ID numbers are automatically generated by the Student Information System when the student's information is entered into the system.

Report Cards

Report cards will be generated and mailed following the end of each semester, semesters' start and end are noted on the school [calendar](#).

Transcripts

Requests for official transcripts must be submitted in writing to the CODCA Registrar. Students 18 years of age or older must make the request. For students under 18 years of age, the parent/guardian must make the request. Official transcripts will be forwarded to colleges, educational institutions and/or employers to which students are applying, provided there are no unpaid fees or fines. Official transcript requests will be processed within ten (10) business days.

Student Privacy

The Julesburg School District, in compliance with Federal Laws 93-308 and 93-568, presents these facts for the information of parent(s) and/or guardian(s) and students.

1. Student records are open for review and inspection by parents/guardians or students 18 years of age or older. Students 16 years of age or older or who are emancipated have the right to give informed consent regarding their records, with some exceptions. Information regarding students 14 years of age or older with HIV/AIDS or a STD may be released by the student only.
2. Appointments may be made at the school office for viewing cumulative records.

Disclosure of Personally Identifiable Information

Parent(s)/Guardian(s) who do not want personally identifiable information (otherwise known as directory information) contained within a student's educational records made public may file a written objection with the CODCA administration in regard to the release to the public of such information within ten (10) calendar days following notice of these rights to students or no later than October 5th of the current school year.

Model Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day CODCA receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make

arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask CODCA to amend their child's or their education record should write to the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by CODCA to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the parent

or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(I) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))

- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as “directory information” if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student’s case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))
- To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K))

Model Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

· ***Consent*** before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–

- 1. Political affiliations or beliefs of the student or student’s parent;**
- 2. Mental or psychological problems of the student or student’s family;**
- 3. Sex behavior or attitudes;**
- 4. Illegal, anti-social, self-incriminating, or demeaning behavior;**
- 5. Critical appraisals of others with whom respondents have close family relationships;**
- 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;**
- 7. Religious practices, affiliations, or beliefs of the student or student’s parent; or**
- 8. Income, other than as required by law to determine program eligibility.**

·Receive notice and an opportunity to opt a student out of –

- 1. Any other protected information survey, regardless of funding;**
- 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law or the Individuals with Disabilities Act; and**
- 3. Activities involving collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling or otherwise distributing the information to others. (This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)**

·Inspect, upon request and before administration or use –

- 1. Protected information surveys of students and surveys created by a third party;**
- 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and**
- 3. Instructional material used as part of the educational curriculum if the instructional material will be used in connection with any survey, analysis, or evaluation as part of any survey funded in whole or in part by a program of ED.**

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law. CODCA will adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. CODCA will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. CODCA will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation in the specific activity or survey. CODCA will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this direct notification requirement:

Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.

- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202**

Directory Information: Family Educational Rights and Privacy Act (FERPA) Model Notice

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Destinations Career Academy of Colorado (CODCA) and Julesburg School District (JSD), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, CODCA and JSD may disclose appropriately designated "directory information" without written consent, unless you have advised the **CODCA and JSD** to the contrary in accordance with CODCA and JSD procedures. The primary purpose of directory information is to allow the CODCA and JSD to include information from your child's education records in certain school publications. Examples include:

- Monthly newsletter;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activities where CODCA receives information from students and students' families.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want CODCA and JSD to disclose any or all types of information designated below as directory information from your child's education records without your prior written consent, you must notify the CODCA and JSD in writing by October 5th of the current school year. CODCA and JSD have designated the following information as directory information:

- **Student's name**
- **Address**
- **Telephone listing**
- **Student electronic mail address**
- **Parent/Guardian electronic mail address**
- **Photograph**
- **Date and place of birth**
- **Major field of study**
- **Dates of attendance**
- **Grade level**
- **Participation in officially recognized activities and sports**
- **Weight and height of members of athletic teams**

- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user
- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

Sex Offender Registry

Colorado Statute (C.R.S. 22-1-124) requires that each public school provides information to parents and community members identifying where and how they may obtain information collected by law enforcement agencies related to registered sex offenders. The Sex Offender management Board has prepared a "School Resource Guide to Sex Offender Registrations." This document can be found in .pdf from the Colorado Department of Education Website at: [HERE](#)

CODCA is also providing the following internet search links to various law enforcement agencies operating in the state. For jurisdictions without internet search capability and for jurisdictions not listed in the web page below the appropriate local law enforcement agency should be contacted for more information.

District Search Links: <http://www.sotar.us/>

Colorado Link: <http://sor.state.co.us>

Sex Offender Registration Unit

Colorado Bureau of Investigation

Coverage: Multiple categories see website for details.

690 Kipling St., Suite 4000

Denver, CO 80215

Grading and Testing

Grading policies are in compliance with state and school guidelines. Grading information and other course-specific information are provided online within each course.

The following grade scale will be used to determine letter grades for high school courses:

GRADE SCALE	
-------------	--

Percentage	Letter Grade	Un-Weighted Grade Point Value	*Weighted GPA
90-100%	A	4.0	5.0
80-89%	B	3.0	4.0
70-79%	C	2.0	3.0
60-69%	D	1.0	2.0
0-59%	F	0.00	0.0

***Please note: Only AP and Concurrent Enrollment courses** earn a weighted grade point average. CODCA uses a 4-point scale for the purposes of determining GPA for high school students. The grade point average for CODCA high school students is calculated as follows:

1. Each student's grade point average is the sum of the point values of all the grades received for all of the courses attempted divided by the sum of the credits for all courses attempted.
2. The grade point value is calculated by multiplying the numerical value of the mark/grade earned by the number of credits assigned to the course.
3. The minimal passing mark is D (1.0).
4. Pass/Fail and Credit/No Credit marks may be used as agreed upon by the instructor and school administrator. These non-numbered marks will be clearly identified and excluded from the calculation of grade point average.
5. Marks for Incompletes ("I") will be calculated as a 0.0 until the grade is replaced by a letter grade.
6. Courses marked as Withdrawals ("W") will not be included in GPA calculations.

Zero Policy

Teachers will input zeroes at the end of the day every Friday. Students have 1 week from each assignment/test/project due date to continue to submit work that is still considered "on time." Students should check their "gradebooks" for each course on a regular basis to see what zeroes they have, rather than relying on "overdue" notifications.

Late Work Policy

If there are extenuating circumstances in which a student could not submit work within the week of the due date, that student should communicate with his/her/their teacher to come up with a plan for catching up. All teachers will work with students willing to submit work to come up with a successful plan to meet the standards of that course.

Honor Roll

Students with a 3.5 and up to 3.79 GPA and above will be awarded an Honor Roll Certificate at the end of each semester.

Students with a 3.8 GPA or above will be awarded a High Honor Roll Certificate at the end of each semester.

Class Standing

A student's high school grade level is determined by the year he or she entered ninth grade. Each year a student attends high school counts as one grade level. For example, if a student has attended high school for 2 years then his or her third year would be his junior year or 11th grade. A cohort grade level does not determine when a student will graduate from high school. This is determined by the number of credits earned and the fulfillment of all other requirements. Students will remain in the cohort class for enrollment and state assessment purposes (CMAS, PSAT, SAT) for the duration of the school year and will be promoted each fall based on completing another school year. Class standing will be calculated at the beginning of each semester.

Incomplete Grade

Students who do not complete a course by the end of the semester and are eligible for a course grade of "Incomplete" under the following conditions:

- A documented illness has interrupted the student's work for more than two weeks during the course of the semester

OR

- Unavoidable family responsibilities have interrupted the student's work for more than two weeks during the course of the semester.

An "Incomplete" shows up as an "I" on the semester transcript; if the student does not complete the course within the time period allotted, the "I" will be replaced by the actual grade he/she earned for the course (points earned/points possible).

Students must make a formal, written request to the Principal at least two weeks in advance of the last day of the semester, citing the reasons for which he/she is requesting the "incomplete" and giving a detailed plan for completing the course within the requested time frame.

Incompletes are granted at the discretion of the course instructor and Principal. When evaluating a request for an Incomplete, the Principal will consider total points attempted, student responsiveness to the teacher, and student's specific circumstances during the semester.

Appeals Process

Students wishing to appeal a final grade in a course must follow the appeals process, including:

- Submit a written request for a detailed copy of the student's grade book from the course instructor.
- Identify in writing any assignments that he/she would like re-evaluated.
- Explain in writing why the student believes the grade on each of the identified assignments should be revised.
- Submit to the course instructor.

Required Assessments

All students enrolled and attending CODCA shall participate and take part in all school, district and statewide assessments. These tests are conducted during a one week period in the spring, usually during the latter part of April. The specific dates will be determined early in the school year. CODCA will do its best to have testing sites in close proximity to every family, but there are cases where travel up to 60 miles one-way may be necessary.

Families are required to make their students available for up to 3 days of testing during the week of testing, no exceptions. This includes making needed travel arrangements to have your students at the testing site as early as 7:30 am and picked up as late as 5 pm.

The State and College Board Assessments include the following:

CMAS (Colorado Measure of Academic Success):

Grade 11 Science

PSAT

Grades 9 and 10

SAT

Grade 11

School Assessments:

STAR: Grades 9-11, (3 times per year in home environment)

Summit Course Interims Grades 9-11

***Dates and locations will be announced after the winter holiday for on-site assessment. ***

Students who fail to confirm their scheduled testing date and site for State and College Board assessments and/or fail to complete the required assessments may be locked out of the Learning Management System and subject to the Withdrawal policy for non-participation.

Individual Career and Academic Plans

All students in the seventh through twelfth grade at CODCA will develop and maintain a personalized Individual Career and Academic Plan (ICAP), in conjunction with an Individual Learning Plan (ILP) that

ensures readiness for postsecondary and workforce success. The ICAP is an individualized plan, developed by the student and his or her parent/guardian, in collaboration with their school counselors. It will be designed to assist a student and his or her parent/guardian in exploring the postsecondary career and educational opportunities available to the students, aligning coursework and curriculum, applying to postsecondary institutions, securing financial aid and ultimately entering the workforce.

The ICAP will include contextual and service learning activities performed by the student that establish connections between school-based instruction and the world of work, careers and learning outside of school. Every student and his or her parent/guardian will have assistance in the development of the ICAP. All personalized ICAPs will be reviewed on an annual basis.

All students in 9th-12th grade will be able to take part in college and career readiness programs. During their time at CODCA, all 9th-12th grade students will have a focused pathway to ensure academic success in reaching their post-graduation goals. Counselors, teachers, family members, and students will work in a collaborative effort to help create bi-annual goals, choose appropriate courses, and explore options that align with their strengths and interests. All middle school students are required to take a “Career Explorations” course to help them in choosing their future career/college goals. All high school students are required to take a “Finding Your Path” course to continue their journey towards meeting their post-graduation goals. This college and career focus is implemented as an all-inclusive approach. There are requirements factored in throughout the grade levels within each content area. Examples of these are: research projects, peer presentations, essays, job shadowing, etc. Experiential learning is encouraged and appropriate credit rewarded.

The Destinations Career Academy of Colorado does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.¹ In addition, lack of English skills will not be a barrier to admission and participation in any school programs or activities. Additionally, offered CTE opportunities are without regard to race, color, national origin, sex, or handicap. CODCA provides procedural processes to any person calling attention to a grievance wherein the institution follows for investigation of the issue. Complaints accepted verbally, written or by appointment in an in-person or virtual face-to-face meeting. Each party pertaining to the complaint receives notice of complaint and all parties receive a timeline of actions of procedure within 10-days of notification to all parties of such a grievance. The following person is the designee to handle inquiries regarding the non-discrimination policies:

Adelita Shepherd, Designated Non-Discrimination Coordinator, Compliance and Family Engagement Coordinator | 8601 Turnpike Dr., #100, Westminster, CO 80031 | ashepherd@k12.com | 303.399.4702

National Standardized Achievement Testing

Because the following standardized achievement and proficiency tests are often important to college admissions, CODCA will post test information, including registration deadlines, testing dates and locations, test fees, etc., for various College Board/SAT tests on the school calendar and/or announcements section of the learning management system.

CODCA's school code is 061-436 for College Board testing and test preparation modules for state and national tests.

Graduation Requirements

To earn a diploma through CODCA, incoming high school students must meet the following diploma requirements, which have been approved by the JSD Board of Education and meet Colorado state diploma requirements.

Students must earn 23.0 credits to graduate. Specific credit requirements are listed below:

CODCA students graduating in 2022 or after must meet the following graduation requirements:

Complete a minimum of 23 credits in required courses AND Demonstrate College or Career Readiness ([Printable Version](#))

Required Course Credits		
SUBJECT	CODCA CREDIT REQUIREMENTS	HEAR REQUIREMENTS (See Note Below) **
English Language Arts	3.0 <i>1.0 credit completed each year in grades 9, 10 and 11</i>	4.0
Math	3.0 <i>1.0 credit completed each year in grades 9, 10 and 11</i>	4.0 (Algebra 1 or Higher)
Science	3.0 <i>1.0 credit completed each year in grades 9, 10 and 11</i>	3 (2 must be lab based)

Social Studies	3.0 <i>World Geog. 0.5 / US Government 0.5 / World OR US History 1.0</i> <i>Selected Social Studies Area 1.0</i>	3 (At least 1 credit World or US History)
Health/PE	0.5	
CTE Courses and Electives	10.5*	4 (2 Credits World Language and 2 Academic Elective)
TOTAL	23 Credits	

* As part of the elective category, it is required that students complete at least 1 CTE course per semester that they are enrolled at Destinations Career Academy.

** Students who wish to attend a four-year college or university in Colorado should complete the following requirements in order to fulfill the Higher Education Admission Recommendations (HEAR). Please note that colleges and universities in other states may have differing requirements – it is best to contact the admissions department at an out-of-state school of interest.

Demonstration of College or Career Readiness Options

Students must meet at least one requirement in English and one in Math.

Demonstration Options	ENGLISH	MATH
School Capstone A capstone is the culminating exhibition of a student's project or experience that demonstrates academic and intellectual learning. Capstone projects are school determined and often include a portfolio of a student's best work.	Individualized Project	Individualized Project
	CTE Focused Individualized Project within pathway	
CTE Based Industry Certificate CTE Based Industry Certificate An industry certificate is a credential recognized by business and industry. Industry certificates are district determined, measure a student's competency in an occupation, and they validate a knowledge base and skills that show mastery in an industry. Graduation Requirements – Incoming Freshmen

To earn a diploma through CODCA, students must meet all JSD and Colorado state diploma requirements for their designated graduation year published at the time the student begins course work at CODCA. See above.

Graduation Requirements – 9th-12th Grade Transfer Students

Graduation requirements for students who transfer into Destinations Career Academy of Colorado after completing at least one semester of coursework at an accredited institution will be evaluated on a case-by-case basis. District graduation requirements will be pro-rated as necessary to reflect student's progress toward graduation at past schools.

Factors to be considered in the evaluation of student's progress toward graduation will include:

- The number and type of credits earned at previous school(s)
- The number of credits possible in each semester
- The definition of credit at previous school
- A transcript analysis and course matching conducted by CODCA
- The number of semesters left until graduation

Transfer Credits

High school students may transfer credits from any accredited institution. Students wishing to transfer in credits based on home schoolwork or portfolios or course work completed at a non-accredited institution may petition CODCA to have credits accepted.

CODCA reserves the right to refuse transfer credits from non-accredited institutions or for home school experiences.

Accelerated Graduation

Graduation at an accelerated rate will be considered upon petition subject to school policy and require administrative recommendation.

The following policies govern accelerated graduation decisions. Students are permitted to take no more than seven (7) 0.5 credits through CODCA during any given academic semester without prior approval of administration. Students and/or families will be fully responsible for fees and tuition associated with non-CODCA courses.

Students need to obtain approval for accelerated graduation *before* undertaking additional course work outside of CODCA.

Valedictorian/Salutatorian

The Valedictorian is the highest-ranking member of a graduating class, and the Salutatorian is the second highest. Rank is determined by the highest overall GPA at the end of the 2nd semester for the graduating students. In the case of a tie, Co-Valedictorians or Co-Salutatorians will be named. Only students earning a minimum of 6 credits at CODCA high school are eligible for Valedictorian or Salutatorian.

Diploma Authorization

Students who graduate from CODCA will earn a diploma from Destinations Career Academy of Colorado authorized by the Julesburg School District.

Conduct and Discipline

Harassment, Intimidation, Bullying and Fighting

No one should be subjected to harassment at school for any reason. Therefore, it is the policy of JSD that all students will deal with all persons in ways which convey respect and dignity. Harassment in the form of name-calling, taunting, gestures, intimidation, conduct, jokes, pictures, slurs or ridicules are

prohibited. Such conduct referencing or directed at an individual or group that demeans that person/group on the basis of race, ethnicity, religion, gender, sexual orientation, creed, age, disability or other extraneous factors is prohibited and shall be grounds for disciplinary action.

CODCA has a zero tolerance policy towards intimidation, harassment, bullying and/or fighting.

Bullying is defined as any written or verbal expression, physical act or gesture, or a pattern thereof that is intended to cause distress upon one or more students in the school environment. Intimidation, harassment, bullying, fighting and racial and/or sexual harassment are violent acts against others. A student who engages in any act of bullying is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made. These behaviors cannot be tolerated, and the natural consequence is to be barred from interactions with others. CODCA will take seriously all implications, physical or nonphysical, and investigate them promptly, thoroughly and with fidelity to end all bullying.

For the first offense of harassment, bullying, or intimidation, the parent(s)/guardian(s) will be contacted via a warning letter and or phone call. Subsequent offenses will lead to suspensions and other discipline in accordance with the School discipline policy. Depending upon the severity of the offense, local authorities may be involved.

Virtual Classroom Code of Conduct

JSD/CODCA recognizes and strives to meet the individual needs of each student through programs which promote the development of self-esteem, cooperation and vision. This expanded view of school results in well-educated, productive and socially responsible citizens. To this end, we believe the school should reflect the desired expectations held by our community for our children and that the school must provide an environment that ensures the safety and wellbeing of students. For this reason, it is important that the school has clear expectations and guidelines for students.

For a virtual classroom session to be educationally effective for students, all students should abide by a standard set of rules. The following rules govern student conduct in the virtual classroom:

- Students' written and oral communications must be free of vulgar, belittling, or offensive language.
- Students must abide by rules established by the course instructor.
- Students must comply with usage instructions communicated orally or in writing by the instructor.
- All students must have a working microphone and participate in each session.

Students who violate the virtual classroom rules of conduct will be warned by the instructor to correct their behavior. If the student does not comply with the instructor's instructions, he/she will be removed from the virtual classroom for the rest of the session.

If a student has been removed from a virtual classroom three times within a month, the student will receive read-only privileges in the virtual classroom for the rest of the semester, or until the instructor deems it appropriate to restore write privileges to the student. Further issues will result in a ban from live sessions, along with a meeting with administration.

Students must not use vulgar, obscene, abusive, or demeaning language, writing, pictures, signs or acts in written or oral communications, including email, discussion board, virtual classroom, student websites, or in photographs. Students are prohibited from posting content from or links to suggestive, lewd, or otherwise inappropriate websites.

CODCA administrators, instructors and students know that personal respect is the foundation of learning. Language, comments, or images that show a lack of respect for individuals or groups will lead directly to disciplinary action.

Students are expected to engage with the requests of school staff; failure to do so is defiance toward school personnel or rules. Defiance is defined as an act of attitude of challenge or resistance or behavior contrary to instructions from a person in a position of authority. Acts of defiance may result in disciplinary action. Defiant acts will be addressed by the principal and appropriate consequences will be discussed with parents/guardians.

Personal Respect

CODCA administrators, instructors, parents, and students know that personal respect is the foundation of learning. Language, comments, or images from any stakeholders that show a lack of respect for individuals or groups will lead directly to disciplinary action.

Inappropriate Behavior

- Insults or attacks of any kind against another person
- Harassment and/or use of threats
- Creating, posting and/or distributing material that is obscene or defamatory or which is intended to annoy, harass, or intimidate another person. This includes distributing “spam” mail, chain email, viruses, or other intentionally destructive content.
- Engaging in any activity or behavior (online or face to face) that interferes with the safety, welfare, morals, or education of themselves, other students, parents, learning coaches or staff.
- Disruptive behavior which interferes or threatens to interfere with the operation of a classroom, an employee’s office, office area or any other area of the school grounds.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, visitor, fellow parent, or student regardless of whether or not the behavior constitutes a criminal offense.
- Damaging or destroying school property.
- Abusive or threatening emails or text/voicemail/phone messages or other written communication

- Defamatory, offensive, or derogatory comments regarding the school or any of the students/parent/staff, at the school on Facebook or other social sites. Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher or administrator, so they can be dealt with fairly, appropriately, and effectively for all concerned.
- The use of physical aggression towards another adult or child.
- Contacting someone else's child to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking and consumption of alcohol or other drugs while attending a school event.
- Making threats or possessing weapons while attending a school event.

The following behaviors are defined as violent and aggressive:

- Possession, threat with, or use of a dangerous weapon as described in the Board's weapons policy.
- Physical assault. The act of striking or touching a person or a person's property with a part of the body or with any object with the intent of causing hurt or harm.
- Verbal abuse. Includes, but is not limited to, swearing, screaming, obscene gestures, or threats directed, orally (including by telephone), in writing, or electronically (e.g., email, messaging, social media, etc.), at an individual, his or her family, or a group.
- Intimidation. An act intended to frighten or coerce someone into submission or obedience.
- Extortion. The use of verbal, physical, or electronic (e.g., email, messaging, social media, etc.) coercion to obtain financial or material gain from others.
- Gang activity and secret student societies.
- Sexual harassment or other forms of harassment as described in the Board's sexual harassment policy and nondiscrimination policy.
- Stalking. The persistent following, contacting, watching, or any other such threatening actions that compromise the peace of mind or the personal safety of an individual.
- Defiance. A serious act or instance of defying or opposing legitimate authority.
- Discriminatory slurs. Insulting, disparaging, or derogatory comments made directly or by innuendo regarding a person's race, sex, sexual orientation, religion, national origin, gender identity, disability or need for special education services.
- Vandalism. Damaging or defacing property owned by or in the rightful possession of another.
- Tobacco Violations. Use or possession of a tobacco product on school grounds or at a school activity or sanctioned event. "Tobacco product" shall mean cigarettes, cigars, pipe tobacco, snuff, chewing tobacco and: (a) any other product that contains nicotine or tobacco or is derived from tobacco and is intended to be ingested or inhaled by or applied to the skin of an individual, including but not limited to e-liquid, vape juice, vaping oil and similar products; or (b) any device that can be used to deliver nicotine to the person inhaling from the device, including but not limited to a cigarette, cigar, cigarillo, pipe, vape pen or other device used to inhale a vaporized liquid.
- Weapon Violations. Possessing a dangerous weapon on school grounds, at a school activity or sanctioned event without the authorization of the school or the school district.

- Terrorism. A threat to commit violence communicated with the intent to terrorize, or with reckless disregard for the risk of creating such terror or to cause serious public inconvenience, such as the evacuation of a building.
- Should any of the above behavior occur within the school setting, the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from interacting with the school personnel.

Harassment

No one should be subjected to harassment at school for any reason. All stakeholders will deal with all persons in ways which convey respect and dignity. Harassment in the form of name-calling, taunting, gestures, intimidation, conduct, jokes, pictures, slurs, or ridicules are prohibited. Such conduct referencing or directed at an individual or group that demeans that person/group based on race, ethnicity, religion, gender, sexual orientation, creed, age, disability or other extraneous factors is prohibited and shall be grounds for disciplinary action.

Nondiscrimination and Bullying

"Bullying" means any written or verbal expression, or physical or electronic act or gesture, or pattern thereof, that is intended to coerce, intimidate, or cause any physical, mental, or emotional harm to any student. "Bullying" is prohibited against any student for any reason, including but not limited to any such behavior that is directed toward a student based on his or her academic performance; or against whom federal and state laws prohibit discrimination upon any of the bases described in section 22-32-109 (1)(11)(l)

CODCA has a zero-tolerance policy towards intimidation, harassment, bullying and/or fighting. A student who engages in any act of bullying is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made. These behaviors cannot be tolerated, and the natural consequence is to be barred from interactions with others.

For the first offense of harassment, bullying, or intimidation, parent(s)/guardians will be contacted via a warning letter and/or phone call. Subsequent offenses will lead to suspensions of attending school activities.

The school will promptly and thoroughly investigate reports of harassment and bullying, whether of a physical or of a nonphysical form. If it is determined that either has occurred, the school will act appropriately within the discipline codes of the district and will take reasonable action to end bullying. Students can report anonymously to CODCA staff members to avoid retaliation.

Sexual Harassment

Sexual harassment includes all unwanted, uninvited, and non-reciprocal sexual attention as well as the creation of an intimidating, hostile or offensive school or work environment. This can include:

- Sexually suggestive looks or gestures
- Sexual jokes, pictures, or teasing
- Pressure for dates or sex
- Sexually demeaning comments
- Deliberate touching, cornering, or pinching
- Attempts to kiss or fondle
- Threats, demands or suggestions that favors will be granted in exchange for sex or tolerance of sexual advances

Sexting Misconduct

To ensure safety for all students and Staff, CODCA follows Federal Law, as described in the following link. Any instances of inappropriate messaging related to Destinations students or Staff must be reported to the Head of School. See link to law [HERE](#).

Discipline

If a warning is ignored and the behavior continues, the student will be referred to the administration and Counselor. The instructor will email the administration and Counselor the nature of the problem.

Within one school day of receipt of the referral, the student will write out an explanation of what caused him/her to be excluded from the classroom and will develop a three-step plan to resolve the problem.

If a solution cannot be reached, the student will be suspended from class access for the remainder of the day. The Counselor will contact the student's parent by the parent's preferred method of contact (phone or email). The Counselor will copy the instructor and administration on any email communications and will log the communication in the student database. If the parent receives contact by email, he or she must reply to the email acknowledging receipt of the email.

The student will miss the virtual classroom session from where he/she was sent and is responsible for viewing the archived session. If necessary, he/she will be blocked from participating in the discussion board and/or the course itself. Instructors will not readmit any student to the online classroom until they have read and agreed to the student's plan. If the student has been blocked from course access, access will not be restored until the instructor has read and agreed to the student's plan.

If the student doesn't follow through with the agreed-upon plan, he/she will be referred to the administration and Counselor again.

It should be noted that there are instances where this process may be altered. Behaviors such as: violence toward others, bullying harassment, intimidation, disrespect toward instructors, non-

compliance, and other behaviors that a staff member deems as disruptive to an orderly learning environment may result in an automatic referral to the administration. CODCA follows Julesburg SD policies on both school suspension and expulsion. See [Julesburg Handbook](#).

The typical process to be followed for violation(s) of the Code of Conduct will be: 1st Offense - (1) day “in school” suspension 2nd Offense - (3) days “in-school” or “out-of-school” suspension. 3rd Offense - Recommended expulsion to the Board of Education

Searches By School Administrators/Staff

Searches of a Student's Person or Personal Effects

The principal or designee may search the person of a student or a student's personal effects on school property or at school sponsored activities or events when reasonable grounds for the search exist. Such searches may be conducted without the prior consent of the student's parent, legal guardian, or legal custodian. However, within a reasonable time following the search, school officials will notify the student's parents that a personal search was conducted.

Searches of a student's person or personal effects are limited to:

1. The student's pockets.
2. Any object in the student's possession such as a purse, backpack, book bag, briefcase, or electronic device; and
3. A "pat down" of the exterior of the student's clothing.

The extent of the search of a student's person or personal effects, as well as the means used to conduct the search, must be reasonably related to the objectives of the search and the nature of the suspected violation. Additionally, school officials conducting the search should be respectful of privacy considerations in light of the age and sex of the student.

Searches of a student's person will be conducted in a private room by a person of the same sex as the student being searched and witnessed by one other adult of the same sex as the student being searched. Searches of a student's person that MAY require removal of clothing other than a coat or jacket will be referred to law enforcement. School personnel will not participate in such searches.

Evidence Seized in a Search

Any item found during a search conducted in accordance with district policy JIH and this regulation and determined to be evidence of a violation of Board and/or district policies, school rules, or federal, state or local laws, shall be immediately seized and tagged for identification. Such evidence will be kept in a secure place by the principal or designee. If such evidence is determined to be evidence of a violation of federal, state, or local laws, the principal or designee shall promptly contact a law enforcement officer to

pick up the evidence. Otherwise, the evidence shall be maintained by the principal or designee until it is no longer needed as evidence in a school disciplinary hearing, at which time it will be returned to the parent, guardian, or legal custodian of the student from whom it was seized.

Physical Intervention and Restraint

To maintain a safe learning environment, district employees may, within the scope of their employment and consistent with state law, use physical intervention and restraint with students in accordance with this policy and accompanying regulation. Such actions shall not be considered child abuse or corporal punishment if performed in good faith and in compliance with this policy and accompanying regulation.

Physical Intervention

Corporal punishment shall not be administered to any student by any district employee.

Within the scope of their employment, district employees may use reasonable and appropriate physical intervention with a student, that does not constitute restraint as defined by this policy, to accomplish the following:

1. to quell a disturbance threatening physical injury to the student or others.
2. to obtain possession of weapons or other dangerous objects upon or within the control of the student.
3. for the purpose of self-defense.
4. for the protection of persons against physical injury or to prevent the destruction of property which could lead to physical injury to the student or others.

Under no circumstances shall a student be physically held for five or more minutes unless the provisions regarding restraint contained in this policy and accompanying regulation are followed.

Steps for Crisis Intervention

In the event of a possible crisis, the school counselor will contact the student and start the crisis intervention process.

Summary of 3 step process:

- 1) Risk Assessment
- 2) Personal Safety Plan
- 3) Risk Assessment Report Documentation for school

General Guidelines

What is a crisis?

A crisis is when the student's usual and customary coping skills are no longer adequate to address a perceived stressful situation. Often such situations are novel and unexpected. A crisis occurs when unusual stress, brought on by unexpected and disruptive events, render an individual physically and

emotionally disabled – because their usual coping mechanisms and past behavioral repertoire prove ineffective. A crisis overrides an individual’s normal psychological and biological coping mechanisms – moving the individual towards maladaptive behaviors. A crisis limits one’s ability to utilize more cognitively sophisticated problem-solving skills and conflict resolution skills. Crises are, by definition, time-limited. However, every crisis is a high risk situation.

Crisis intervention and management:

The goals of crisis intervention are to lessen the intensity, duration, and presence of a crisis that is perceived as overwhelming and that can lead to self-injurious behaviors. This is accomplished by shifting the focus from an emergency that is life-threatening to a plan of action that is understandable and perceived as doable. The goal is to protect the individual from self-harm. In the process, it is critical to identify and discuss the underlying disorder, dysfunction, and/or event that precipitated the crisis.

Involving family, partners, friends, and social support networks is advisable.

The objectives are to assist the student in regaining mastery, control, and predictability. This is accomplished by reinforcing healthy coping skills and substituting more effective skills and responses for less effective skills and dysfunctional responses. The goal of crisis management is to re-establish equilibrium and restore the individual to a state of feeling in control in a safe, secure, and stable environment. Under certain circumstances this might require hospitalization.

Dress Code

Appropriate attire shall be worn at all school activities. This includes but is not limited to the restriction of violent or substance promoting clothing, skimpy outfits that are suggestive and revealing, or other items related to gangs or non-sanctioned groups. The use of attire to conceal weapons, tobacco or other illegal or illicit materials is strictly forbidden. Guardians and authorities will be notified in the event a student is suspected of being in possession of forbidden items.

Academic Honesty

Academic Integrity Code

CODCA has high expectations with regards to academic integrity. CODCA staff and teachers will conduct class sessions with all students, during week of welcome and in courses at the start of the school year, educating students on academic integrity and our expectations around student authentic work. The academic integrity code has been set up as a way of ensuring that students are following these expectations to the highest degree. The following practices are violations of this academic integrity code:

Cheating in any manner. Examples of this could be:

- Submitting any work that was not done by your own hand
- Allowing other students to submit your work as their own
- Using any unapproved aids on assignments, quizzes, or in tests (including the internet)
- Submitting the same work for more than one course or assignment without prior written approval from the instructor(s)

- Fabricating data: This includes falsifying or manipulating data to achieve desired result, reporting results for experiments not done, or falsifying citations in research reports
- Destroying, tampering, or altering another student's work to impede academic progress

Plagiarizing in any manner: Honesty is an essential characteristic of all individuals, and course work honesty is no exception at CODCA. Students' written work must be completely free of plagiarism. Any time you present words or ideas of another person as your own without proper citation of sources (electronic, internet, or print) is considered plagiarism. Some examples are:

- Utilizing internet chat groups to ask questions and using the responses as your own
- Utilizing sources excessively even when documented or relying on similar order of sentences while altering a few words or word order
- Using copyrighted material without appropriate citation or copying software or media files (such as music, movies, etc.) without permission
- This includes the misuse of Artificial Intelligence to complete work that is meant to be independent thoughts, views and ideas

Note: Many courses require written work in which you will need to cite sources. Any direct quotations from your textbook or online material must be cited. For textbook citations, (Author, Page Number); for online material citations, (Unit X, Lesson Y, Page Number). Any quotations from outside sources require full citations, including author, title, publisher, date of publication, and page number. If a student is citing information found on a website, they must provide the complete Web page or site title, URL, author if known, page number if applicable, and publication place and date of the site, if available.

At CODCA, we take our Academic Integrity Code seriously. If there are violations made to the code, there are consequences that will occur. Infractions will be recorded in the student's permanent record. The total number of infractions is not considered per course, but cumulative over the student's time at CODCA.

- 1st offense – teacher will have a meeting with parent and student, discuss the offense, and discuss the best plan of action. This is a chance to educate the student on policy and expectations. In most cases, the student will be able to re-do the assignment after meeting with the teacher.
- 2nd offense – zero on assignment, teacher will have a meeting with the student and parent. Administrator(s) will also contact students and parents.
- 3rd offense – fail the course

Technology Usage

CODCA has done due diligence to protect students' personal information and to guard against cyber predators by installing anti-virus software and security settings on each K12 computer. Students are responsible for installing updates and patches for anti-virus software.

As part of the enrollment process, students sign an Acceptable Use Agreement governing their use of the on-loan hardware (computer, printer, etc.), the internet and e-mail.

Students who are found to be in breach of the [Acceptable Use Agreement](#) must return the computer and printer to CODCA. Students/Families who do not comply with the return request will be liable for the cost of the computer, printer, and any other on-loan hardware.

Email

Each student will be issued an internal email account. Students and parents are expected to access and review their email account on a daily basis. CODCA reserves the right to monitor the contents of email sent and received through the school OLS and LMS.

Student Engagement

Attendance

CODCA Attendance Policy

Students enrolled at CODCA can expect to virtually attend school for 1,056 hours per school year (176 school calendar days per school year), or 6-hours per school day. Attendance at CODCA includes completing and submitting work assigned by all academic teachers and Staff by due dates; attending on-line live course lectures each day as the student's schedule indicates; participate in completing all mandated assessments; keep current with communication from school Staff, responding to email and phone calls within 24-hours. CODCA complies with Colorado Compulsory Attendance Law which states enrollment for all school aged children between the ages of 6-16 is mandatory to avoid chronic absenteeism and truancy complications.

Attendance at Destinations Career Academy of Colorado is performance based. Attendance allows learning to take place at any time – day or night. Therefore, we measure attendance based on the following:

1. Number of hours logged into coursework.
2. Successful completion of assignments in a timely manner.
3. Ongoing communication with the online teacher and staff.

All students under the age of 17 are responsible to be in school each day, per Compulsory Attendance Law [22-33-104. Compulsory school attendance](#) Minor's statutory privileges, including but not limited to driver's permit/license may only be scrutinized in a court of law. Students aged 17 and above school voluntarily in the state of Colorado.

If you know your child will be missing school for any reason (unexpected illness, religious observance, bereavement), please fill out this form so we may alert his/her/their teachers they will be [absent](#) from class. [Absentee Notification](#)

m

Student Engagement Policy--Academic or Behavior Concerns

A student is considered in violation of Destinations Career Academy of Colorado's attendance policy if he/she:

1. Is not logging into classes full time and has accrued 3-10 consecutive school days of non-attendance (5-7 hours per week per course = full-time school, 6 classes are 30-42 hours per week for CCs, online work, discussions, readings, projects, etc.)
2. Is not attending class connect sessions and is not complying with the expectations expressed by course teachers. Additionally, any student and Learning Coach who constantly ignore communication efforts and are unreachable.
3. Any student who has reached the age of 17 is schooling voluntarily, under Colorado Compulsory attendance law and is subject to enrollment review for failure to comply with CODCA's Student Engagement Policy.
4. Any student who has not participated in the mandated assessments and testing will be subject to enrollment review.

All students may be subject to a truancy/chronic absenteeism review due to a combination of missing assignments, lack of CC attendance and insufficient communication. Consequences for the truancy review include additional meetings with Student Support Staff/Teachers/Administration, adherence to a Back on Track plan with academic probation and/or school enrollment review. Any student who is 17 years or older may face immediate withdrawal based on the chronic absenteeism review. Click [HERE](#) for the Student Engagement Policy.

In addition to the attendance expectations listed above, students are also expected to:

- Read announcements, check grades and due dates daily.
- Check email and respond to any communication from teachers, support staff or other school officials daily.
- Work on course assignments daily, during a time of their choice (courses are available 24 hours a day 7 days a week).

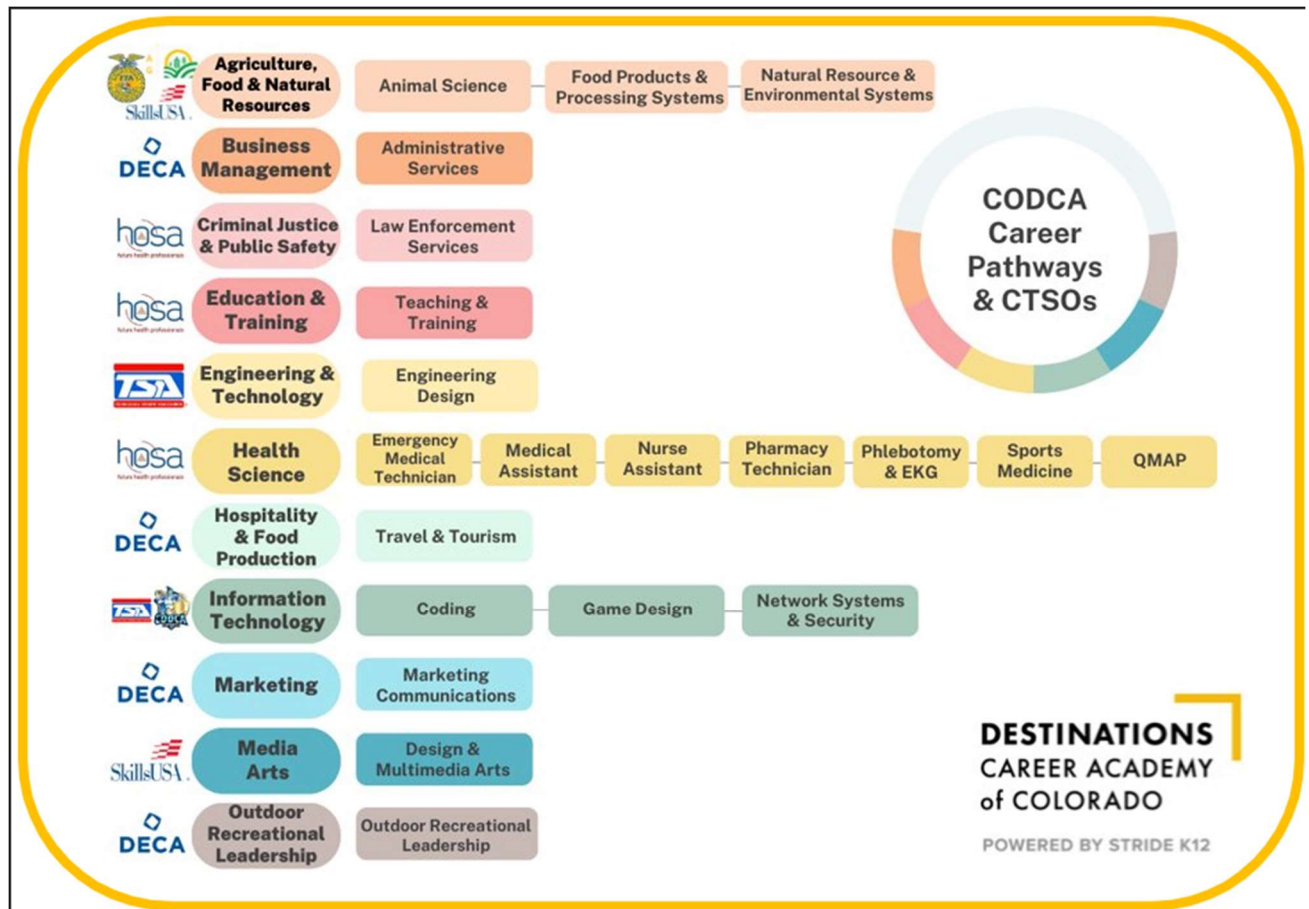

As mentioned above, students are required to take mandatory state assessments (CMAS, PSAT, SAT), school assessments (STAR) and participate in state required activities (ICAP). Students will be notified by email and/or letter of their responsibilities for all mandatory assessments and activities. Students who do not comply with these responsibilities within the time frame indicated may be locked out of their courses and subject to an enrollment review pursuant to this attendance policy.

Student Activities

Curricular Student Clubs

Destinations students can participate in Career and Technical Student Organizations (CTSOs) that align to the pathways currently offered. CTSOs are a chance to learn and enhance both technical and professional skills that will help students in their future career path. Students will have opportunities to take virtual workshops and attend leadership conferences that focus on topics such as: leadership, work ethic, goal setting, public service, resume writing, interviewing and much more. Students will be invited to compete in State and National competitions that showcase their technical skills and abilities with students across Colorado. If you have any questions, contact your counselor for more information.

Here are the current CTSOs and corresponding program areas offered at this time:

In addition to CTSOs CODCA may encourage students to broaden their knowledge and citizenship by permitting the formation of clubs or other groups that relate to subject matter covered by the curriculum. Such organizations shall operate within the framework of state statutes, Board policy, administrative rules, and the parameters of the learning program.

The administration shall develop general guidelines for the establishment and operation of student organizations within Destinations Career Academy of Colorado. Among other provisions, such guidelines shall require the approval of the administration prior to the formation of any club or organization in the school and the assignment of at least one faculty advisor to each approved student organization.

All student organizations are required to open membership to all interested and/or eligible students. Fraternities, sororities and/or secret societies shall not receive recognition in any manner under this policy.

The administration is responsible for determining that the purpose of a student organization is related to the curriculum. If the administration denies a group the right to organize and conduct meetings as a curriculum-related student organization, then students may seek permission to meet as a non-curricular student organization in accordance with policy 5134.1. (*IGDA Student Organizations, Equal Access Act, C.R.S. 22-1-117, C.R.S. 22-1-118.*)

The School has established the following guidelines for curricular or school-related student clubs:

- Each curriculum club shall have a faculty or staff member appointed as the advisor.
- The advisor must attend every meeting of the student organization.
- The administration or designee shall approve the club advisor.
- All activities of the club must have prior approval of the advisor.
- Club funds shall be subject to deposit, audit, and disbursement in accordance with the regulations of the administration and the All School Fund Account.
- A list of clubs will be made available.
- Club advisors shall be responsible to approve the content of all promotional materials and club announcements.
- All clubs shall comply with applicable school policies and procedures.

Field Trips

Field trips are optional learning opportunities for students. Students are encouraged to attend, but course grades will not be negatively affected by a student's inability to participate. As an optional learning opportunity, students and their families are responsible for any costs associated with the activity or experience, as well as transportation to and from the event. Additionally, all students and learning coaches will need to complete a field trip permission slip per each field trip (digital). In the event a student requires medication, a parent or guardian must be present to administer. Parents/Guardians will be notified if supervision at the event is required. Each Staff member employed at CODCA is CPR certified.

Students and families are encouraged to hold and participate in these CODCA events. Students/Families interested in sponsoring an informal CODCA event must obtain approval from the CODCA Head of School. If approval is not obtained, the event is not a CODCA event.

Informal CODCA events must be chaperoned by responsible adults. Students must follow the Code of Conduct. Students/Families are responsible for transportation to/from events. Parents/Guardians will be

notified if supervision at the event is required. Each event will have a corresponding RSVP survey where medical issues and allergies may be listed for student safety.

Parents and family may chaperone events only after obtaining and passing an CBI background check that involves taking fingerprints at a local facility. The background check is run through the federal fingerprint depot and is returned to the school in 3-7 business days. If the check is absent from violent crime convictions, incarceration or other seriously nefarious and convicted behaviors, the adult is then authorized to be present and assist with an event. All other incidents are subject to CODCA Administrative review and may prohibit an adult from participating.

CODCA requests all event chaperones to be either legal guardians or Learning Coaches of currently enrolled students. If a non-legal guardian or non-LC wishes to be a chaperone for a school event prior Administrative approval is necessary. Contact Adelita Shepherd at ashepherd@k12.com to request a background check appointment that is free of charge. Please plan ahead, as these results may take up to three weeks to complete.

Full Liability Release form (field trips, school events, etc.) [HERE](#)

Full Photo and Story Release form (field trips, school events, etc.) [HERE](#)

School Event Conduct

CODCA students are encouraged to participate in formal and informal School events. Students must abide by Student Code of Conduct when attending these events. Students/Families are responsible for transportation to/from events.

Dances and Other School Sponsored Events

CODCA dances may be held at central locations in the state, and will be chaperoned by administrators, parents, and instructional staff. Students are expected to abide by the school code of conduct. Transportation to and from the event is the responsibility of the student and/or family.

CODCA students inviting non-CODCA students must notify the school; the non-CODCA student may be asked to provide an ID upon attending the event. All non-CODCA guests must be under the age of 21.

Prom guests: All prom guests must be under 21 years of age and high school aged. We understand not all guests are enrolled at a high school, however, no guests who are in middle school will be allowed to attend CODCA Prom.

Transportation

Transportation to and from school sponsored events is the sole responsibility of the parent/guardian of the student. Currently, CODCA is unauthorized to provide these services or acquiesce to these requests. We appreciate your understanding regarding this topic.

Materials and Technology

Inventory Identification

All hardware belonging to CODCA is clearly marked with an inventory identification tag or label. Any hardware bearing an inventory identification tag or label is “on loan” to the student for the semester or the school year. School materials (such as books and software) are also “on loan” to the student for the semester or the school year.

Acceptable Use Policy

In enrolling with CODCA, students, and if under the age of 18, their parent(s) or guardian(s) must accept the responsibility of using the computer, printer and course materials, and the system supplied by The School in a responsible and appropriate manner by signing an Acceptable Use Agreement, a legally binding contract.

This Agreement contains certain promises of students concerning the use of course materials, computer and printer (“Hardware”) and other systems that The School may provide access to that enable a Student’s online education (e.g., learning management system (LMS), student information system (SIS) and internal email, (“Systems”)). The Hardware, Systems, and course materials (collectively, “The School’s Property”) are intended to provide a means for educational activities only.

The laws of the State of Colorado govern the agreement. The rights of use stated in the Agreement are not transferable to another party. [Acceptable Use Agreement](#)

Internet Use Agreement

Introduction

General Network Use

The network is provided for students to conduct research, complete assignments, and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Students are responsible for good behavior on school computer networks just as they are in a classroom or a school setting. Access is a privilege - not a right. As such, general school rules for behavior and communications apply and users must comply with standards and honor the agreements

they have signed. Beyond the clarification of such standards, CODCA is not responsible for restricting, monitoring, or controlling the communication of individuals utilizing the network.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private.

Internet / World Wide Web / Email Access

Access to the Internet and email will enable students to use thousands of libraries and databases. Within reason, freedom of speech and access to information will be honored. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. Filtering software is in use, but no filtering system is capable of blocking 100% of the inappropriate material available on the Internet. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

Publishing to the World Wide Web

Parents, your daughter or son's work may be considered for publication on the World Wide Web, specifically on his/her/their school's web site. Such publishing requires parent/guardian permission (see over). The work will appear with a copyright notice prohibiting the copying of such work without express written permission. In the event anyone requests such permission, those requests will be forwarded to the student's parent/ guardian.

Unidentified photos of students may be published on school websites, illustrating student projects and achievements. In addition, your daughter or son's full name may be considered for publication on his/her/their school's web site. If published, his/her/their name will appear on pages with a clear school related purpose and will be included to further instructional and/or co-curricular activities. Permission for such publishing does not grant permission to share any other information about your son/daughter, beyond that implied by their inclusion on the web page(s). If you do not want your child's photo or name to be published on the website, please indicate this on the Release of Information form (Photo/Video Release portion), which can be found included in your enrollment packet.

To use networked resources, all students must sign and return this form, and those under age 18 must obtain parental permission. The activities listed below are not permitted:

- Sending or displaying offensive messages or pictures
- Using obscene language
- Giving personal information, such as complete name, phone number, address or identifiable photo, without permission from teacher and parent or guardian
- Harassing, insulting, or attacking others
- Damaging or modifying computers, computer systems or computer networks

- Violating copyright laws
- Using others' passwords
- Trespassing in others' folders, work or files
- Intentionally wasting limited resources
- Employing the network for commercial purposes, financial gain, or fraud violations may result in a loss of access as well as other disciplinary or legal action.

Web Filtering on Student Computers

All K12 student computers have McAfee web filtering installed complying with the Children's Internet Protect Act (CIPA). This program cannot be turned off.

Distribution of Textbooks, Materials & Technology

Most courses have instructional material integrated into the course. In some cases, textbooks or other materials are sent to the student. Students/families are responsible for expenses associated with materials for selected non-core courses.

Computer hardware will be shipped to students via USPS, FedEx or DHL with delivery confirmation. Shipments will carry insurance to cover the cost of replacing the system. Students/families will be notified of the delivery via email, the expected arrival date, and the tracking number of the package(s). The student or a parent/guardian must sign for the package.

Destinations Reimbursement Policy for Internet Service

Internet Service Provider (ISP) Reimbursement Policy

Families who meet all of the following ISP Reimbursement Requirements will be reimbursed at the rate of \$15.00 per eligible month.

Requirements:

- Students must be enrolled on the last day of each semester being paid out.
- Completion of all Benchmark Assessments required during the student's enrollment.
- Students must be eligible for free/reduced lunch as determined by the National School Lunch Program standardized form.
- Students who have a current Individualized Education Plan that require assistive technology will receive an Internet service provider subsidy of \$15.00 per month if they are enrolled on the last day of the semester being paid out.

Procedure:

- The Legal Guardian is required to submit one entire internet bill for any month during each period. The link to request for payment and dropbox to upload an internet bill will be sent out 2 weeks before the submission due date in email.

- The September, October, November or December bill is due by December of the current year. Paid out by the end of February.
- The January, February, March, April or May bill is due by May of the current year. Paid out by the end of July.
- Those families who miss the deadline will have to wait for the next rebate check run
- Families are also required to have the following documents for enrollment for each student within the household:
 - Proof of residency and notification form(s) with the current address

Rules for Reimbursement

- The ISP reimbursement check will be for the actual amount of the internet up to and not to exceed \$15.00 per month.
- If the household has no internet, then there will be no reimbursement
- Multiple Occupancy notarized document can be used to support documentation of a household if the person who signed the Multiple Occupancy is named on the internet bill

Families should submit internet service provider bills or statements by mail, fax or scan/email to the local school at:

Address Destinations Career Academy of Colorado
8601 Turnpike Dr, Suite 100
Westminster, CO 80031

Phone: 1-303-728-6200

Fax: 1-303-728-6266

Email: coloops@k12.com

Insurance Coverage

School insurance will not cover stolen, lost or fire-damaged equipment. We highly recommend adding the laptop to the household's homeowners/renter's insurance policy. Without the insurance protection against stolen, lost or fire-damaged equipment, the student and their family are financially responsible for replacement costs for any equipment damaged by fire, lost or stolen. All technology packages must be insured up to \$2,000.

Return of Textbooks, Materials & Technology

Textbooks and other course materials must be returned within 14 calendar days of the last day of the semester, or from withdrawal, during which the materials are used. Students/Families will be assessed a

replacement fee for any and all materials that are not returned by that time. The fee will be removed upon return of the materials. K12 will issue families return labels upon the end of each semester.

Stolen or Damaged Laptop Process

Students must report a stolen or damaged laptop to the school immediately. Students and/or parents are responsible for all damaged or stolen laptops.

Screen Share

Students agree to share their computer screen with school administrators if necessary to identify and/or resolve technical issues with any school issued equipment.

2023-2024 STUDENT PERFORMANCE AGREEMENT

Destinations Career Academy of Colorado

2023-2024 STUDENT PERFORMANCE AGREEMENT

Student Performance Agreement click [HERE](#)

Destinations Career Academy of Colorado (“CODCA”) is an online school of choice serving high school students. CODCA is committed to offering high quality, standards-based curriculum, employs highly qualified teachers, and offers various levels of support to assist students in realizing their goal of earning a certified high school diploma. As a CODCA student there are demands and rigors of online learning which require a high level of student commitment and course engagement daily, Monday – Friday, throughout the entire school year. As a result, CODCA asks each student and a parent or guardian to acknowledge and commit to the following expectations of student performance.

<i>Student I agree to the SPA list of expectations</i>		<i>Parent/Guardian (if student is not 18 years old) I agree to the SPA list of expectations</i>	
First Name		First Name	
Last Name		Last Name	

Student Performance Agreement:

I agree to the following as a demonstration of my commitment to online learning at CODCA and understand that my failure to comply with the terms of this Student Performance Agreement may result in my being involuntarily withdrawn from Destinations Career Academy of Colorado.

1. I understand that my enrollment at CODCA for the 2023-2024 school year is conditional on meeting the following requirements for the first 3 weeks of school, regardless of being a new or returning student. If I do not meet this three-week compliance/Readiness Term, proving I can be a successful CODCA student, I may be withdrawn.
 - a. Attend and participate in all orientation/welcome week and onboarding sessions found in your student schedule, website calendar and email from Principal Cook.
 - b. Complete all School-based assessments (STAR testing—week 1 of school start) and complete all ICAP/ILP (Individual Career and Academic Plan) activities with counselors upon the start of school and throughout the year as required by CODCA.

- c. Work through and complete all assignments for each course as assigned by teachers, by the end of each school week. If I need help, I agree to reach out to teachers, counselors, or student support staff.
- d. Attend all class connect sessions and small groups assigned to my online school by my teachers.
- e. I understand that any office hours/tutoring time my instructor deems necessary is required and I agree to attend.

After the first 3 weeks of school I CONTINUE to agree to:

- 2. Participate and complete State and CODCA assessments throughout the school year. Dates, times and locations will be sent to students and families via email and school announcements:
 - a. August STAR assessment and Summit Course Interims, grades 4-11 (virtual)—to be completed week 1 of school start.
 - b. December or January STAR assessment and Summit Course Interims, grades 4-11 (virtual)
 - c. May STAR assessment and Summit Course Interims, grades 4-11 (virtual)
 - d. CMAS grades 4, 5, 6,7,8 April (Face to Face--See handbook for detail). Grades 9, 10 take PSAT and grade 11 takes SAT in April.
- 3. I will log on to each course every school day (Monday – Friday) to complete and submit the required readings and assignments for the day.
- 4. I understand that coursework is due on the day listed by the instructor, with a small grace period through the Sunday night after the assignment’s due date. If I fail to submit my assigned work for the week by that week’s Sunday night, I will earn zeroes for work not submitted.
- 5. I will contact my teacher immediately if I am unable to complete an assignment (due to illness or extreme situation) by the due date, or Sunday after the due date.
- 6. I will read and understand the work submission policy and late work policy provided by Destinations Career Academy of Colorado Staff.
- 7. I will comply with the school’s attendance policy and acknowledge that I will be locked out of my courses after 10 days of non-participation and withdrawn from school after 15 days of non-participation. Details to this policy can be found in the 2023-2024 parent-student handbook.
- 8. I understand that I must earn a minimum of four (4) credits during the school year to continue my enrollment at CODCA the following year.
- 9. I will check my school email account daily and maintain consistent communication with my teachers, student support staff, counselor, and other school staff by asking questions as needed and returning phone messages or email within 24 hours of receiving the communication(s).
- 10. I will communicate with my student support staff member and teachers if I am unable to participate in my schoolwork for any extended period of time. You may request the extended absence form, also found in the newsletter and on the webpage.
- 11. I will strive to keep at least a 70% course average in all courses at all times.

Parent/Guardian Agreement:

I agree to the following as a demonstration of my commitment to online learning and the success of my student at CODCA and understand that my student's failure to comply with the terms of this Student Performance Agreement, including COCCA's participation policies, may result in him/her being involuntarily withdrawn from CODCA:

1. I will demonstrate my commitment as a Learning Coach to my student's success in the online learning process by completing the following actions during the first three weeks of school:
 - a. I will log into my Parent Account in the online school each week to monitor my student's compliance with the requirements outlined above in the Student Agreement section.
 - b. I will contact my student's support staff member/teacher if I have any problems accessing my student's grades.
1. I will ensure that my student attends and takes all applicable state and school required assessments and exams, listed above in the Student Agreement section.
2. I will monitor my student's progress on a regular basis by logging into the online school at least weekly and review his/her grades and work submissions. In the event my student is struggling in the online learning environment, I will attend a parent conference with my student's support staff team member or a member of the Administrative Team.
3. I understand that my student must earn a minimum of four (4) credits during the school year to continue his or her enrollment at CODCA the following year.
4. I will regularly check and respond to email, phone messages and other communications from CODCA teachers, support staff and Administration within 24 hours of receiving the communication(s). I will also report any absence my child may experience within 24 hours to the school using the absent form.
5. I will maintain consistent internet connection and/or make arrangements for my student to complete his or her schoolwork at another location in the event of a disruption in service.
6. I will contact the CODCA offices with any change in personal information such as address, phone number or email address.
7. I understand that my student is required to attend all live class connect sessions for any course he/she has below a 70% in the course.
8. I understand that my student must be logged in to school daily, completing all required course readings and assignments.

You and your student are asked to electronically sign this document by August 24th, 2023 (or within the first calendar week of enrollment). If you have any questions about the document, please email or call the Compliance Coordinator for further clarification.
